Sewer pact is ready for contractors

By GARY SCHNEIDER
Press-Record Staff Writer
Construction of new sanitary sewers in Nameoki and Chouteau townships and a small portion of Venice Township could begin within the next 10 days to two weeks.
A construction contract may be signed today or tomorrow, Walter "Dick" Sparks, chairman of the Madison County special sewer committee, told the Madison County Board Wednesday morning at Edwardsville.
"The bonds have been sold, the money is in an Edwardsville bank, and we plan to get together with the contractors

today or tomorrow to work out final details and get the contract signed," Sparks stated. He later told the Press-Record he was unable to organize a meeting with the G. H. Sternberg and S. M. Wilson construction firms Wednesday, but hoped a meeting could be held today and the contract signed as soon as tomorrow.
The construction contract will require approval of the Environmental Protection Agency before heavy construction can begin, which is expected to take about one week, Sparks said.
Nevertheless, some

County to govern purity of streams

The Madison County Board decided Wednesday to undertake the task of enforcing federal clean water standards.
The decision is expected to end study of creating a new layer of government—a regional agency that would be empowered to take steps to assure water purity in streams and similar bodies of water leading toward the Mississippi River.

The cost of cleaning water runoff is unknown but would be considerable if extreme standards are ordered, planners have said.
In deciding yesterday to undertake enforcement within the existing county governmental structure, through its environmental office, the County Board also avoided creating a new department to deal with water pollution.

For the last two months, the board had tabled a proposal to create a Department of Public Works to implement clean water programs. An opinion, meanwhile, was sought on whether such a department was needed to comply with federal requirements.

Don Smith, assistant state's attorney, said Wednesday that

Madison may save salary of treasurer

By MICK STRANGE
Press-Record Staff Writer

After more than an hour of private deliberation, the Madison School Board Tuesday night unanimously elected Sam Dymas as board president.
Board Member Frank Eaves, retiring president, was elected secretary.
The selection of school attorney and treasurer was tabled.
Dymas said the duties, method of payment and other possible changes regarding the treasurer and attorney services are under study.

He noted that the treasurer's position in some districts is held by a board member and is thus a non-paying position.
"We also are looking into

other methods of paying an attorney, such as by the hour rather than an annual flat fee," Dymas said.

Ray Kosielek, present treasurer for the board, has held that position since 1960 and is a former board member himself. Kosielek also is a former mayor of Madison and a former alderman.

Attorney William Kinder has been school district attorney since 1969.

Mrs. Billie Bosworth was seated for her first three-year term and Paul Bargiel was seated for the first time to fill a one-year term.

Richard Zeisset was seated for a new three-year term.
The new president was

Armenians recall holocaust of 1915

The World War II Nazi slaughter of millions of Jewish people has been in the minds of Quad-Cityans this week due to the "Holocaust" film, telecast on four successive evenings, and related articles.
Local residents of Armenian descent also are calling attention to an April 24, 1915, Turkish governmental order

that led to mass murders, exceeding one and one-half million people in 1915-16. Those who survived the atrocities fled and settled elsewhere in the world, urging that the massacres not be forgotten.
A memorial service will be conducted by the Rev. Khoren Habeshian at St. Gregory the Illuminator Armenian Apostolic

Church, 1732 Maple St., at 10:30 a.m. Sunday, April 23. Dinner will be served in the church hall after the requiem service.
Plans for the Martyrs Day observance are shown being discussed Tuesday by (left to right) Michael Hagopian, Rev. Habeshian, Mayor Paul Schuler and Stephen Hagopian. Further details are given on Page 2.

\$5,000 reward

A \$5,000 reward is being offered by the Pizza Hut firm in connection with an armed robbery at its local restaurant, 1533 Johnson Road, after 2 a.m. last Friday, April 14.

The reward is for information leading to the arrest and conviction of those responsible for the crime.

Persons with information on the robbery are being asked to contact the Investigative Bureau of the Granite City Police Department at 878-9027.

Meters may go

A suggestion that Granite City might get along better financially if it takes out all of its parking meters was referred by the City Council Tuesday night to the council's Traffic Committee for study and recommendations.

Alderman Fred "Pat" Schuman told the aldermen that in comparing expenses out of the parking meter fund to the revenue from parking meters he "cannot see what good the meters are doing us."

On a motion by Schuman, the Traffic Committee, headed by Alderman Sam Whitmer, is to contact downtown merchants to

obtain their views on the idea. Schuman said that he had not been approached directly by downtown merchants in regard to removal of parking meters, but that he has heard complaints that "shoppers can pull into a parking lot at the shopping centers and find a place to park without any trouble."

Alderman Everett Morlen said he is of the opinion that the meters should remain.

"The merchants wanted them in the first place because of parking problems," he said. "If we take out the meters, the merchants and store employees would just park all day long on downtown streets."

Schuman said that a city audit shows that Granite City received \$4,350 from parking meter fees last year, while expenditures from the fund totaled \$4,459.

"It's true," the alderman said, "that several policemen are paid out of the fund, but since we are only getting \$34,000 or \$35,000 a year out of the meters I can't understand why we continue using the meters."

"Actually," he noted, "we are paying the difference between the meter revenue and the total expenditures—around \$70,000 or more—so there would be no difference if we paid it directly out of some other fund."

Weather outlook

Mostly cloudy, windy and cool today. High about 50. Clear and cold tonight with scattered frost. Low tonight in the low to mid-30s. Mostly sunny and warmer Friday with high 55 to 60. Chance of showers during the weekend, clearing by Monday. Continued cool during the weekend. Lows in the upper 20s to low 40s and highs in the 60s.

Airport study slated

By HARRY BARNES
Press-Record Staff Writer

Granite City Council members will await a report by a special committee before deciding whether the city should advance funds for a study on the feasibility of establishing a commercial airport.

The council referred the matter back to its Airport Committee headed by Alderman Paul Bowler of the Seventh Ward after a discussion Tuesday night of a request that the city provide approximately \$5,000 for the feasibility study on the present site of Lakeside Airport on Route 111 near State Aid Route 35.

Dr. Donald Coleman, chairman of the airport committee of the Tri-Cities Area Chamber of Commerce, outlined the proposal at the regular council session and informed the aldermen that cost of the project, including acquisition of the land, has been estimated at \$1.5 million.

Dr. Coleman told the council that the Chamber of Commerce

committee, established last August, began considering a plan to establish a commercial airport at the request of several manufacturers.

He said the feasibility study would be required as a beginning step in negotiating for state or federal aid. Such a project, he said, would need to be sponsored by an Airport Authority or a municipal entity before it could qualify for funds. Alderman Sam Whitmer, a member of the city's airport committee, said he would favor such a plan only if it had been approved by the people of Granite City by referendum.

"There is a question here as to whether the city wants to have an airport," Whitmer said, noting that "We are on the borderline financially right now."

Whitmer asked Dr. Coleman if the Chamber of Commerce could put up the \$5,000 for the feasibility study. If the study favored the project, Whitmer suggested, the proposal to go ahead with development of an airport could be decided by a

referendum vote.
"I doubt if the Chamber has that kind of money," Dr. Coleman replied.

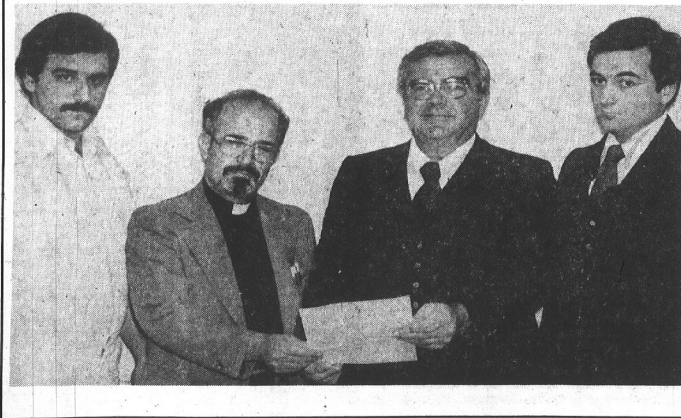

Bowler suggested that if the Chamber of Commerce could finance the feasibility study and development of the airport was favored by a vote of the people, the Chamber could be reimbursed for the study with grant funds obtained for the development.

"I don't think the men here can commit the taxpayers to this," Bowler added.

Dr. Coleman, who addressed the council before the opening of regular business, told the aldermen that "We (the Chamber committee) feel that it is feasible. Statistics show that small plane use will double by 1980. The committee feels that an airport should be developed for this area."

He noted that the feasibility study "is the next step" toward qualifying the project for federal funds, adding that it is possible federal funding up to \$6

Memorial service here for Armenian martyrs

Next Monday, April 24, may be an ordinary day for most Quad-Cityans, but for the Armenians of this community it has special significance. The date marks the 63rd anniversary of the attempted genocide of Armenian people. Activities for this weekend will include church services at St. Gregory The Illuminator Armenian Apostolic Church, 1732 Maple St., commencing at 10:30 a.m. Sunday, April 23. A requiem service will be held in memory of the one and one-half million Armenians, who were martyred during the genocide action.

Immediately following the church services there will be a memorial dinner, and a program consisting of a movie depicting the genocide and appropriate addresses by representatives of the local community.

"Historically, April 24 marks the day on which the Turkish government began its systematic attempt at destroying an entire nation," a local spokesman said. "The annals of history show that the governments of Turkey, ranging from the sultans to the democratic governments of the modern republic, have pursued and continue to pursue a policy of persecution and cultural annihilation of its minorities. Greeks, Serbians, Macedonians, Croatsians, Cypriots, Bulgarians and Hungarians, as well as Armenians, are familiar with persecution at the hands of the Turkish government. Even today, the island nation of Cyprus feels the grip of such persecution."

"Just 63 years ago, the Turkish government laid to waste a countryside filled with cultural treasures, forever lost to mankind."

"The government carried out the first genocide of the 20th Century, murdering one and a half million Armenians. The nation of Turkey has yet to be brought to justice for his heinous crimes."

"It is indeed a sad day in the historic annals of humanity when a nation may commit

genocide and escape justice. "Injustice breeds injustice, and inhumanity breeds inhumanity."

"It's are often-used words in today's vocabulary. But, if the Turkish nation would have been brought to justice following World War I, perhaps the world would never have heard the fateful lines of Adolf Hitler, who said: "August 22, 1939 — I have given orders to my Death Units to exterminate without mercy or pity men, women and children belonging to the Polish speaking race. It is only in this manner that we can acquire the vital territory which we need. After all, who remembers today the extermination of the Armenians?"

"It is in the shadow of such events that Mayor Paul Schuler has proclaimed April 24, 1978, as 'a day of remembrance for all victims of genocide and man's inhumanity to man, especially those of Armenian ancestry who succumbed to the genocide perpetrated on them in 1915.'"

Text of the proclamation follows:

"A proclamation to designate April 24 as the day of remembrance for all the victims of genocide and man's inhumanity to man, and

"Whereas the year 1978 marks the 63rd commemorative anniversary of the genocide of the Armenian people whereby the Turkish government, by official policy, in 1915 made an attempt to exterminate the Armenian people within its borders by mass murder and removal, and

"Whereas by such official policy of the Turkish government over one and one-half million Armenians perished or were driven from their ancient ancestral lands,

"In witness whereof, I, Paul Schuler, mayor of Granite City, Ill., call on the people of Granite City to observe that day as a day of remembrance for all the victims of genocide and man's inhumanity to man, especially those of Armenian ancestry who succumbed to the genocide perpetrated on them in 1915."

Trend to part-time permanent positions

Permanent part-time workers represent a growing American business and industry practice — and the economic benefits outweigh the costs, according to a study completed for the U.S. Department of Labor.

The study, "Permanent Part-Time Employment: The Manager's Perspective," was prepared by Georgetown University's School of Business Administration. It found that what is a benefit of employing part-time workers to one firm may be a cost to another, depending on other factors in the work situation.

The most frequent benefits of part-time employment as it is used currently are reduced overtime, higher productivity, reduced absenteeism, and lower wage and fringe benefits costs.

The most frequent cost of part-time employment is supervision and additional recordkeeping.

The study found that part-time employment is surprisingly common in American industry. More than 20 percent of all employed people work on a part-time basis. Among women, the young and the old, the percentages are much higher.

Whether due to the growth in its use — or to the changing values and life styles of the 1970s — there is increasing interest in part-time employment as an alternative to the standard work schedule.

The emphasis is on permanent part-time employment, rather than temporary or intermittent work.

The aims of the study were to learn why some employers use permanent part-time employment and others do not, to see what the benefits and costs of part-time employment are and to describe which work settings are well suited to part-time employment and which are not.

Information was obtained by personal interviews and mail questionnaires from employment experts and work-unit supervisors in 68 private sector corporations — 39 users and 29 non-users of permanent part-time employment — mainly in manufacturing, finance and insurance companies. Occupations of workers studied were mainly clerical, operatives, and laborers.

Findings and costs of part-time employment may be different in some occupations

than others. Part-time clerical jobs may be associated with lower turnover and absenteeism, less recordkeeping, and better equipment utilization, while part-time production jobs may be associated with better worker loyalty, lower wage costs and greater fringe benefit savings.

Good experiences with part-time employment may sometimes result from an excess supply of people available for part-time work, rather than from any intrinsic advantage of part-time scheduling.

Part-time employment is found less often in unionized work units. This stems not so much from union policies against part-time employment as it does from contract provisions aimed at protecting full-time workers.

Employers do not have negative views about why people work part-time. They say they believe in the seriousness of purpose of part-time workers.

Tax stands by education board

The State Board of Education last week went on record in opposition to a proposed constitutional amendment which would impose "an arbitrary and permanent limit on taxes and all other revenues of the state except federal aid and trust funds."

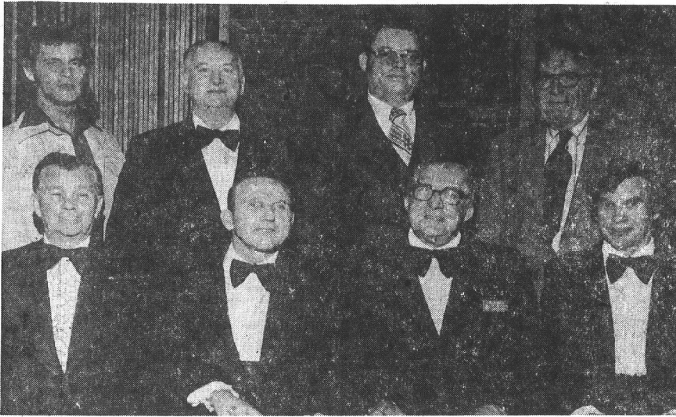

In other action, the state board passed a resolution supporting a proposed constitutional amendment that would defer repeal of the current corporate personal property tax.

The board also voiced its opposition to tuition tax credit bills currently before Congress pertaining to elementary and secondary schools. The board voted to convey its opinion to members of the Illinois Constitutional delegation and other interested agencies.

WOMAN, CHILDREN HURT

A woman and two children received treatment at St. Elizabeth Hospital during the weekend following an auto accident. Shirley Doering, 27, of 21 Fairway Estates, was treated for a right knee injury and abrasions to her left ankle. Christine Doering, 8 1/2 months, of the same address, and Mary Ellen Doering, 10, also of the same address, were examined. All were released.

High Twelve Club organized

The George Washington High Twelve Club 539 of Granite City has been chartered with 80 members, the largest club to be chartered in Illinois.

Charter ceremonies with the Belleville High Twelve Club 35 as sponsor and Melvin Satterfield, president of the Illinois association as organizer, were held in the Round Table Restaurant on Route 137 near Collinsville.

Officers and delegations from clubs in Illinois, Missouri and Indiana attended the ceremonies. The High Twelve Club is a Masonic appendant body of the Grand Lodge of Ancient Free and Accepted Masons dedicated to the ideals set forth by its founder E.C. Wolcott, a congregational minister.

He chartered the first club at Sioux City, Iowa, on May 17, 1921. There are 330 clubs and 23,600 members international in scope with clubs in Montreal, Canada, Okinawa, England and Spain.

The charter was presented by W.B. Mager, past international president and zone officer, to the newly-elected president of the Granite City Club, the Rev. Wayne Miller. Satterfield and Harry

Rites for father of Keith McGhee

Funeral services were held at 1:30 p.m. Wednesday at an Edwardsville funeral home for Norman V. McGhee, 61, of Livingstone, father of Keith V. McGhee of Madison.

He died Sunday, April 16, at Benton County General Hospital, Camden, Tenn. Mr. McGhee was a retired employee of A. O. Smith Corp., a member of the Independent Order of Odd Fellows, and a World War II Navy veteran. Other survivors include his wife, Christine Miller McGhee, two other sons and a daughter.

Sauerwein, second vice president of the state association, installed the new officers. In addition to Rev. Miller, they included: Wilmer A. Miller, first vice president; Rasser T. McGee, second vice president; William D. Phelps, secretary; Kelly J. Hogan, treasurer; Jim R. Utley, Masonic representative; Jimmie D. Hendrix, sergeant at arms; and Donald E. Cramer, Roy K. PARENTS WEEKEND AT BLACKBURN COLLEGE
The annual Parents Weekend event will be held on the Blackburn College campus, Carlinville, Saturday and Sunday.

About 350 persons are expected to attend the festivities, which are sponsored by the Religious Life Cabinet.
Registration begins Saturday at 10 a.m. in the Student Center.

That day's events will include women's Olympics, a penny carnival, a talent show, a queen coronation, and a moot court with Dick H. Mudge Jr., former Madison County state's attorney, participating.

The "Fantastics" musical comedy will be given Friday, Saturday and Sunday at 8 p.m., and on Sunday there will be a chapel service and college choir concert.

Local students eligible for Sun Day contests

Area grade school, junior high school and high school students will have the opportunity to win cash prizes in a series of contests being sponsored by Southern Illinois University at Edwardsville in conjunction with Sun Day, May 3.

Sun Day — a Wednesday — is a day set aside nationwide in observance of solar energy. SIUE will sponsor activities May 1-5 which will include a solar energy "cook-off," workshops, films and speakers. The national Sun Day motto is "to celebrate the world's only inexhaustible, predictable, egalitarian, non-polluting, safe, terror-resistant and free energy source."

The SIUE events will include a model contest, scenario contest and poster contest. Cash prizes include a first-place, \$15 prize for individuals and a \$25 first-place prize for schools; a \$10, second-place prize for two individuals; and a \$5, third-place prize for three individuals.

All entries must be delivered to the SIUE University Center information desk by May 1. Judging will be completed and prizes awarded on Sun Day, May 3.

Contest descriptions and rules are:

MODEL CONTEST — Students eligible are those in grades nine through 12. They are to design and construct a model displaying a solar energy system or its use. The model may be part of a system, such as a solar panel or concentrator, or it may be a component of the system.

Any media may be used for construction of the models, but they should not require more than a one-meter square display area.

All entries must have the student's name, address, phone and phone number attached. Models submitted may be used.

Nameoki budget hearing Monday

Nameoki Township will hold a public hearing at 7 p.m. Monday on township budgets totaling \$387,000 and the board will meet after the hearing to pass the budgets.

The new budgets are 9,233 higher than in the previous fiscal year. Tentative budgets on display at the township office are \$183,000 for the town fund, \$104,300 for general assistance, \$20,000 for municipal retirement, \$11,000 from the anti-narcotics fund, a \$10,000 assistance fund, and \$79,500 from revenue sharing funds. The hearing will be at the town hall, 4200 Highway 162.

Lightning hits, damages home

Lightning struck the home of Billy Dew, 1165 Wanda St., Mitchell, at 10 p.m. Monday, causing a hole in the roof. Light bulbs were blown out of their sockets onto the floor.

Residents said the light bulbs suddenly flew through the air and the house filled with smoke. Firemen found a round hole about 12-inches in diameter in the roof.

Mitchell volunteers firemen had to pull down the ceiling in the living room to get to the fire in the attic.

Former, GC woman fatally beaten

Mrs. Deborah K. Lewis, 26, of 3301 LaSalle Drive, Alton, a former 20-year resident of Granite City, and mother of four, was found bludgeoned to death in her home at 3:23 a.m. Wednesday, according to a report by Alton police.

Madison County Deputy Coroner Ralph Baahmann, who was at the scene, said the woman apparently died from blows to the back of the head with the stock end of a shotgun found in the home.

There were no gunshot wounds to the body and Baahmann said the woman apparently had been beaten by fists. The body of Mrs. Lewis was discovered on the kitchen floor of her home. Her husband, William Dale Lewis, 26, was lying on the floor semi-conscious, authorities said.

Lewis was treated at St. Joseph's Hospital for a month injury. He was booked suspected of murder and is being held in the Alton City Jail.

Authorities said a warrant will be sought from the Madison County state's attorney today. Police said they believe a teenage shotgun found near the body may have been the weapon used to beat Mrs. Lewis, according to the report.

A member of the Alton Police Department, Lt. James Cahill, said Johnny Mineeff, the 10-year-old son of Mrs. Lewis by a previous marriage, was reported to have gone to a neighbor's house at 2:30 a.m. and told the woman that his mother and father were fighting. He sent the boy home. He went back again about 2:50 and told the woman his mother was dead, it was reported.

Police said there were three other children in the house at the time of the incident, apparently unharmed. They are Sandra Jean Mineeff, 7, Billy Lewis, 3, and Lisa Lewis, 8 months old. All the children were turned over to officials of the Department of Children and Family Services.

The older boy, Johnny Mineeff, told the police he was struck with the gun as he ran out to go to the neighbor's house.

Mrs. Lewis was born in Wood River. She had resided in Alton for five years.

Other survivors include her parents, Mr. and Mrs. Louis (Ruth) Youngberg of Granite City; one brother, Ricky Youngberg; two sisters, Mrs. Anthony (Vicky) Hunt and Miss

Sandra Youngberg, all of Granite City.

Funeral arrangements are given in the obituary column.

Schuler opposes off-track betting

Granite City will take a "strong stand" against state legislation that would permit off-track, horse race betting, Mayor Paul Schuler said today.

In a letter to city Attorney Lance Callis, the mayor said:

"With the strong effort being put forth in the Illinois legislature in behalf of off-track betting, I feel we should take a strong stand in opposition to off-track betting including, but not limited to, legislation that would prohibit such betting parlors or 'bookie joints' within the corporate limits of Granite City."

"A special commission on legalized gambling recommended to Governor Thompson this week that Illinois legalize off-track horse race betting."

"I believe that horse bettors have plenty of opportunity to make their bets on their

favorite race horses at Fairmount Park in Collinsville and Cahokia Downs race track in Cahokia without establishments such as the "Finish Line Express" which as you know I had Chief Ronald Velzer close down as soon as it opened.

"The people of Granite City are strongly against this kind of thing and I intend to see to it that the 'Finish Line Express' remains closed in our city."

\$1,294 CHECKS, CASH
William Kempler, 2450 Cleveland Blvd., reported at 1:30 p.m. Tuesday that a thief had removed the lock from his locker at American Steel Foundries and stolen a black wallet, containing \$55 cash, two checks amounting to \$1,294, his drivers' license and miscellaneous papers.

Liquor license bill gets first reading

A proposed new liquor licensing ordinance that would double existing tavern license fees and extend the hours in which taverns could operate was placed on first reading by the Granite City Council Tuesday night following debate in which some aldermen expressed disagreement with some terms contained in the bill.

No effort was made to advance the measure to final passage stage after several council members noted that they had not received copies of the proposed ordinance until shortly before the council session and that they wanted more time to study the bill.

Alderman Charles Douglas of the First Ward, chairman of a special committee appointed to update the city's liquor license

control legislation, said he believes the ordinance "is a good one," that it would bring the city substantially more license revenue and would provide more stringent regulations to control places dispensing beer and liquor.

Alderman Paul R. Bowler of the Seventh Ward said the only way he would favor the new law would be a provision limiting the number of taverns and package liquor stores "about the same as we now have."

He noted that the proposed ordinance establishes no maximum figure for the number of places to be licensed and that "I don't favor a lot more taverns opening up."

Alderman Sam Whitmer of the Second Ward objected to an extension of operating hours for taverns and other liquor holders.

"We've had a 1 a.m. closing (on week days) and a 2 a.m. closing (Saturday and Sunday) for quite a few years and we haven't had any serious problems," Whitmer said. "I think we should leave the hours as they are."

While a delegation of tavern owners waited in the audience to express their views on the ordinance, the aldermen, on a suggestion by Mayor Paul Schuler, agreed that the special committee should receive any input concerning the bill and report back at the next council meeting Tuesday, April 25.

The lengthy agenda of council business in Tuesday night's meeting which included action on a series of other ordinances caused the aldermen to run several minutes beyond the meeting curfew of 11 p.m. The press of business was cited as a reason for cutting off a public discussion of the liquor control bill.

After introduction of the 14-page ordinance, Alderman Ronald Coleman of the Seventh Ward remarked that he was surprised "that this is brought up tonight. No one's had a chance to read it over."

Whitmer told the council that "My main interest in this is that it doesn't up the number of taverns. I also don't think that we should change the hours because we have had our present hours for a long time and we haven't had any major problems."

"We could be increasing the number of taverns and extending the hours to a point that it would give us trouble with some places. So if this bill increases the number of taverns and extends the operating hours, I'm not for it."

Bowler said that he had gone through the ordinance and "I can't find any number limiting the taverns anywhere in it. I think there should be something attached that provides for a limit of the 39 taverns we now have."

Douglas, however, noted that the ordinance, in listing seven different classifications of liquor licenses, contains blank areas in which the number of taverns can be inserted upon adoption of the bill.

"We had no idea of how many places would be licensed in each classification," he explained. "Therefore we provided blanks in the ordinance so that we can put in maximum figures once we determine how the different places will be classified."

Alderman Clyde Boyd, a member of the special committee that prepared the measure, said he favored the longer tavern hours because there are many shift workers "who do not get a chance to go to the taverns" because of the 1 a.m. closing law as it now exists. I think it is a good ordinance," he said.

But Glen Sprankle, alderman of the Fourth Ward and the third member of the special committee, said he did not approve the longer hours, although Douglas had announced earlier that the full committee was "in accord" on terms of the bill.

"I opposed the longer hours, but was outvoted," Sprankle said. "I attended every meeting of the committee, but I never heard any discussion on the fact that the taverns would be closed on election days."

A provision that all taverns would be closed during the hours polls are open on election days is included in the measure, Douglas said he believes "the clerk of the town will bring the people's attention to the fact that there is an election and may result in more people going to the polls."

In a roll call vote on a motion to place the bill on first reading, Coleman and Whitmer voted "no." Those voting "yes" were Aldermen Douglas, Boyd, Sprankle, Fred "Pat" Schuman, Warren Decatur, Lloyd Bailey, Mrs. Margaret Nonn, Earl Baker, Bowler, Roy Poulos and Everett Morley.

Rail spur approved

Preparation of construction drawings for a new railroad spur in Macraus Industrial Park by Sheppard, Morgan and Schwaab, consulting engineers, was authorized at the Madison City Council meeting Tuesday night.

The rail spur will be approximately 1,000 feet in length in the southeast corner of the park connecting to Southwestern Steel.

The council also approved entering into agreement with the Madison County Emergency Services and Disaster Agency (Civil Defense) to advertise for bids for a new outdoor warning system for the city of Madison.

Major part of the cost of the new system would be financed by a federal grant. The agreement calls for selection of the bidder according to specifications.

The council authorized the Madison Junior Service Club to establish road blocks on Friday, May 5, to collect money for the "March of Dimes." Road blocks were approved at Sixth Street and Madison Avenue and at 12th Street and Madison Avenue.

The city received \$1,525 in fines for the month of March.

Following the regular meeting, the city council went into executive session to discuss personnel appointments relating to the street department and fire department.

Furnishings are taken from house

Mrs. Robert Shands, 129 East Chain of Rocks Road, reported Monday that several items of furniture had been removed from a rented dwelling in the 2100 block of Adams Street.

Tenants had moved from the premises the previous day, she told police.

Missing are a blue flowered couch, valued at \$40, six orange cushions, \$25, a white metal kitchen cabinet, \$20, two maple end tables, \$20, a coffee table, \$25, four curtain rods and four gas stove burner inserts, \$10 and a strainer, \$1.50.

Developmental Studies School proposed by SIUE to run E. St. Louis Center

Not all is well — but progress is being made — at the East St. Louis Center of Southern Illinois University at Edwardsville.

Recommendations for program and organizational changes are contained in the East St. Louis Center Evaluation Committee's final report released to the SIUE Board of Trustees by Dr. Kenneth A. Shaw, president of the local University.

The report represents a year of evaluating the effectiveness of the East St. Louis Center.

It includes the perceptions of SIUE students, faculty and staff regarding the operation of the Center; personnel, organization, structure and operations of each component of the Center; the perceptions of East St. Louis townspeople; student academic performance and personal-social development; and an assessment of present physical facilities, as well as recommendations for the future of the Center.

Organizational recommendations made by the committee, chaired by Dr. C. Seely Stiles, SIUE vice-president for student affairs, include the establishment of a School of Developmental Studies which would include the East St. Louis Center.

The evaluation committee's report includes a review of the Report on East St. Louis Center Management, released in August 1977.

At that time, the report showed, it was felt that "past practices involving the Center, at all administrative levels of the university, were characterized by ambiguity, tolerance of inadequacies in management, mistrust, and subtle paternalism."

The committee concluded last week that the current Center administration has accomplished substantial improvements in operations since last August, but that these improvements have generated a degree of hostility among some Center staff members.

In the Management Report were 13 recommendations which the final report states have been fulfilled or are being pursued.

"Increased levels of renovation and physical improvements — and a commitment to service levels that are comparable to those provided to the rest of the university — have been most notable," the report states.

"Although more improvement is necessary, conversations with staff — of the Office of Admissions and Records, Academic Affairs, Personnel Office, Procurement, Storage and Supply, and Student Work and Financial Assistance — indicate that improvements have been substantial and positive," the report concludes.

The committee said its recommendations in the final report are based on its documentation of numerous continuing problems at the East St. Louis Center, including a need for improved academic performance of students; a need for change in performing arts "focus and direction"; and inadequate library resources, physical facilities, and student services.

Also, controversy over the operation of the Learning Skills Center, evidence of marginal competence among some faculty, absence of appropriate public service and continuing education activities "in a city whose citizens have more needs than most," and the need for stronger links with the main campus.

President Shaw said copies of the 150-page report are available to the public at the Lovejoy Library on the main SIUE campus.

The proposed School of Developmental Studies would be headed by a dean, reporting to the chief academic officer of the university.

In addition to all the East St. Louis Center's component units, the School would include a number of programs currently reporting to the assistant vice-president for special programs and minority affairs: the Supplemental Instructional Program, Equal Opportunity Program, Science Awareness Program, Community Education Program, Upward Bound and others.

Programmatic recommendations in the committee's final report include the following:

—A program emphasizing basic skill training for deprived students should be continued at the Center and educational programs should continue to focus on computational and language skills.

—The Performing Arts Training Center should be maintained and developed more fully.

—Degree credit courses of-

fered at the Center — or elsewhere in East St. Louis through the efforts of the Center — should continue to be offered and expanded wherever appropriate, in line with enrollment demand.

—Utilization of the specialized knowledge available in existing university units should be substantially increased through the provision of adult and continuing education, public service, and applied research at or through the center.

—Future program development should occur at times and levels consistent with university goals and priorities.

—The Learning Skills Center, faculty and Student Development and Student Services should develop and implement a plan for coordination of diagnosis, prescription and monitoring of student change and progress.

—The Chief Center administrator should develop student work policies to encourage employment in jobs related to students' areas of study.

—The University administration should move as quickly as practical to complete the purchase of the Center building; and

—A center library representative should be appointed to the appropriate task forces, established by Lovejoy Library's Management Review and Analysis Program Study Team.

The committee also recommended the development of research and evaluation procedures at the Center. And it said efforts should be made to acquaint students with the expectations and pressures attendant on university study.

In addition, steps should be taken by the Center administration to improve morale, cooperation and the general climate of the Center, the committee report stated.

In regard to its recommendation concerning the establishment of the School of Developmental Studies, the committee report said the School should be dealt with as a normal, not special, university organization.

"This presumes that all support services, including adequate plant accommodations, should be provided to the extent that other university units enjoy them, at

a level designed to ensure the productivity of participants and the success of programs," the report related.

The committee recommended that faculty members teach only in their areas of competence, that all teaching faculty develop syllabi for their courses, and that all appointments, assignments, promotions and tenure decisions follow regular procedures of the proposed School.

Ruling extends steelworkers' pension plan

President Lloyd McBride of the United Steelworkers of America (USWA) has praised a unanimous ruling of a special three-member arbitration panel that 20-year employees of 10 major basic steel companies — who are disabled prior to Jan. 1 of this year but still accruing service as of that date — are eligible for "rule-of-65" pension.

"This crucially important arbitration decision maintains the integrity of the collective bargaining process we have developed in the steel industry over the years," declared McBride, who called for an immediate resumption of the work of a joint companies-union task force to develop guidelines for implementation of the employment and income security program achieved in the last disputed negotiation.

"Early resolution of the definition of suitable long-term employment is imperative," McBride said. The union president, "because at least 1,200 members, who for the first time now know they are eligible for 'rule-of-65' pensions, are eagerly awaiting the substantial benefits of this new program."

The "rule-of-65" pension became effective on Jan. 1 of this year for employees with 20 or more years of service as of the last day worked, if their age plus service totals 65; they are out of work because of a shutdown, extended layoff, or disability, and they are provided suitable long-term employment by their company.

The issue in the arbitration case was whether the new pension applies to persons no longer actively at work on Jan. 1, 1978, but still accruing pension service on that date.

Since service can continue to be accrued for up to two years, employees who were still on the job as of Jan. 1, 1976, are eligible for the pension if they meet the other conditions.

The amount of the "rule-of-65" pension is calculated as for other pensions, but such a pensioner also will receive an additional monthly supplement of \$300 until reaching age 62, until becoming eligible for Social Security, or until obtaining suitable long-term employment.

Benjamin Aaron, professor of law at the UCLA School of Law and a former director and current research associate at the Institute of Industrial Relations at that university, chaired the arbitration panel.

Other members were Sylvester Garrett, the permanent arbitrator for matters involving the USWA and U.S. Steel, and Ralph T. Seward, the permanent arbitrator for the union and Bethlehem Steel.

The 10 companies, which bargain as a group and thus were involved together in the arbitration case to determine proper interpretation of the settlement agreement of April 9, 1977, are Allegheny Ludlum, Armco Steel, Bethlehem, Inland, J&L, National Steel, Republic, U.S. Steel, Wheeling Pittsburgh, and Youngstown Sheet and Tube.

Because Bethlehem and Youngstown Sheet and Tube led in sharp cutback in steel operations and the resulting layoff of thousands of industry workers in the last few months of last year, the largest number of workers affected by the arbitration decision are their employees.

Testimony in the case considered unusual in that it did not involve the application of formal contractual language — was presented before the three-member panel in mid-February in Washington, D.C., and final briefs were submitted in March. The union's successful argument in the case was based on the language of the settlement agreement, read in the light of the 28-year history of pensions in the steel industry.

Prather JH students lead Walkathon list

Prather Junior High students again led the way with the most walkers and sponsors and the highest amount of registered pledges in the annual March of Dimes Walkathon, staged earlier this month, Jack Haug, Walkathon chairman, announced this week.

Blazing the trail for the 543 walkers were runners from Granite City High School North's junior varsity track team — Russ Kessman, Jim Edwards, Bruce DeHuntz and Monty Naler who ran the 10 mile distance in 65 minutes.

After the four high school trackmen, Phyllis Graham, a Grigsby Junior High student, arrived fifth at the Wilson Park rink pavilion, starting and finishing in point of the Walkathon, Phyllis ran the 10 miles in 87 minutes, Haug said.

Debbie Hendon of South High School had \$258 pledged to her walk, the top amount of donations pledged to an individual, the chairman advised. When all pledges have been collected and turned in by participants, awards will be presented the top individual contributors, Haug explained. Pledge money must be turned in before May 8, he stressed.

The preliminary tabulations show Prather JHS had 123 walkers, 1,491 sponsors and \$2,320 in pledges. Grigsby JHS had 111 walkers, 1,342 sponsors and \$1,928 in pledges. Coolidge JHS had 72 walkers, 1,210 sponsors and \$1,413 in pledges.

Despite finishing in fourth place with the number of walkers (69) and third place with the number of sponsors (1,323), Granite City High School came in second with the amount of pledges, \$2,135.

Fifth place was captured all the way across the board by Granite High North which had 62 walkers, 800 sponsors and \$1,028 in pledges.

Other participating schools, the number of walkers and sponsors and the amount of pledges are: Emerson, 19, 169, \$400; Washington, 17, 170, \$321;

Mitchell, 9, 98, \$109; Marshall, 8, 91, \$144. McKinley, 7, 69, \$146; Lake, 7, 104, \$147; Parkway, 5, 93, \$119; Niedringhaus, 5, 42, \$56; Logan, 5, 77, \$128; Webster, 4, 19, \$22; Wilson, 3, 39, \$31; Nameeki, 2, 20, \$33; and Frohardt, 1, 23, \$24.

Seven grade school pupils who did not give a specific school also took part in the Walkathon, listing 79 sponsors and \$120 in pledges. Eight other participants, listing 49 sponsors and \$122 in pledges, likewise made the walk, Haug said.

A total of \$10,711 was pledged to the March of Dimes Walkathon campaign this spring, but a final figure will be announced when all funds are collected and tabulations are completed, the chairman said.

Members of the Tri-City Shrine Club Compact Team, Granite City Police Department and the Free Spirits CB Radio Club, all contributed their time to help make the Walkathon a success, Haug stated.

Help may be on way for middle-income families sending children to universities

By ROBERT ESTILL
Press-Record

Washington Bureau
Congressional approval of tuition tax credits for college students or their parents is "in the bag," believes Rep. Tom Corcoran, R-Ottawa. And he believes President Carter, despite his avowed distaste for the tax credits, would approve tax breaks for public and non-public higher education.

Corcoran, who has five children of his own to educate, believes Congress will approve tuition tax credit legislation early this summer, giving parents of college-bound youngsters some relief.

The big question mark, he says, is whether Congress and the president also will approve tuition tax credits for parents of children in elementary and secondary schools. This phase seems to be doubtful.

The cause of Cong. Corcoran's optimism is the approval of a higher education tax credit bill by the House Ways and Means Committee.

Six times previously the

Senate has approved such legislation, but House Ways and Means has bottlenecked it. This time, support had grown to the point where the committee would have been overruled on the floor if it had tried to contain the bill, Corcoran said.

The prime House sponsor of an amendment that would have included tax credits for grade and high school students.

The Senate is expected to approve a bill providing \$250 tax credits initially for college

other education expenses up to prescribed ceilings. The ceilings would be \$100 per student this year, \$150 in 1979 and \$250 in 1980. It applies to full and part-time students.

Before approving the bill on a 24 to 13 vote, the committee deleted an amendment that would have included tax credits for grade and high school students.

The Senate is expected to approve a bill providing \$250 tax credits initially for college

students. In 1980, the credits would rise to \$300, and the grade and high school students would be included.

Differences in the House and Senate versions initially will be resolved by a conference committee, Corcoran noted.

In an attempt to scuttle the tax credit efforts, the Carter Administration proposed an alternative—expanding existing grant and aid programs for college students by \$1.46 billion, with most of the new money

targeted to middle-income students.

Corcoran says the trial votes in the House and Senate show that it is a tax credit proposal—not the Administration's own plan—that eventually will lie on Mr. Carter's desk in the oval office.

Mr. Carter has said he might veto tuition credit tax legislation if he decides it is "costly and unconstitutional."

But Corcoran notes the White House has not distinguished in

its statements between tuition tax credits for college students and those at the elementary-secondary levels.

The costs of the tax credits for college students would be about the same as the Administration's plan, negating that argument, Corcoran said.

And the constitutional questions have hinged on aid to private and parochial schools at the grade and high school levels.

For those reasons, Corcoran

believes the president would accede to Congressional and public pressures and provide a break for college students and their parents.

"For those who want elementary and secondary credits as well, the best approach is to combine it with the college credits," Corcoran said. "That would make it more difficult for the president to veto it (than if the grade and high school credits are considered separately)."

If Mr. Carter should veto the legislation and Congress does not override the veto, then Corcoran believes Congress would adopt the expanded aid program proposed by the Administration.

"I am convinced the results of all of these efforts will be some help to middle-income people in sending their children to college," he said, noting that there already are many such opportunities for those of low and high income.

Clean Sweep Saturday in Lincoln Place area

Residents in the Lincoln Place area are being reminded today that Operation Clean Sweep will take place this Saturday throughout the community.

Jake "Hagop" Varadian, who is arranging the neighborhood clean up program for the fifth consecutive year, reminds residents wishing to participate to place unwanted items and trash placed in the backyard alley before Saturday morning.

"Regardless of the amount or size of an individual's collection, the volunteer workers will haul it away for you without obligation," Varadian said.

"If they wish, residents may donate 50 cents or more when the trash is collected to help defray the cost of refreshments," he added.

The funds are used to purchase refreshments which are served the volunteers during the clean up project.

Youth events at Suburban

Youth Week at Suburban Baptist Church, 2500 St. Clair Ave., begins Sunday, April 23, and continues through April 30. Activities will include:

Youth visitation Tuesday at 6:30 p.m. from the church.

Youth council meeting Tuesday immediately following the visitation.

Youth prayer meeting Wednesday at the parsonage, Pastor Harold Garrett, 3248 Erin Drive.

Youth weekend revival April 28-29-30 led by the "New Paths," a Baptist Student Union team from Missouri University, Columbia. Members of the group are Denise Henry, Lynna Wells, Brenda Adams, Chuck Trelow, Dan Derrick and Greg Terrell.

On Friday, April 28 at 7 p.m.

there will be a get-acquainted gathering with the "New Paths" revival team, followed by "pizza fellowship time."

The schedule for Saturday, April 29 includes an 8:30 a.m. breakfast at the church for youths, 10 a.m. youth visitation, 1:30 p.m. "Anything Goes" activities at the church grounds for youths and adults attired in old clothes, and a 7 p.m. association youth rally, with a program led by the "New Paths" and fun, food and fellowship.

On Sunday, April 30 at 9:30 a.m. there will be Sunday school, with youths teaching or helping in the classes, followed by a 10:40 a.m. worship service emphasizing youths and led by the revival team.

Illinois Arts leader in forum on school arts

David Rockefeller Jr. will lead a six-member panel on "The Arts in Education" Monday, April 24, at 8 p.m. at the St. Louis Conservatory and School for the Arts, 500 Trinity Ave. The forum is open to the public free of charge.

Members of the panel will include James P. Conway, mayor of St. Louis; Clark Mitze, executive director of the Illinois Arts Council; Dr. Irene Lober, superintendent of University City Schools; A. B. Spellman, poet, deputy-chairman of the Expansion Arts Panel of the National Endowment for the Arts; Judson Bemis, chairman of Bemis Bag Co.; and Robert H. Orchard, chairman of Orchard Corp. of America.

The forum will be based on a report, "Coming to Our Senses: The Significance of the Arts for American Education," published last year by the Arts, Education and Americans Panel of the American Council for the Arts in Education. Rockefeller led the panel of 25 business leaders, artists, scientists and government officials in preparation of the report.

The most comprehensive study ever undertaken on the role of the arts in general education in America, it concludes with 97 specific recommendations designed to place the arts as a basic component of educational curriculum.

HIGHER CEILING ON TAX RELIEF SOUGHT

Legislation supported by Gov. James R. Thompson that would expand "circuit breaker" property tax relief for up to 35,000 new elderly and disabled taxpayers next year was introduced in the Illinois Senate last week.

The bill proposes that the earnings ceiling on qualifying for circuit breaker tax relief be raised from \$10,000 to \$12,000 per household. "This bill would at least partly restore the balance between income and costs under the circuit breaker program," Gov. Thompson said.

Contract award to GC firm

Award of contracts by the Capital Development Board (CDB) for redesign of a fume hood exhaust system in the Science Building at Southern Illinois University at Edwardsville was reported Thursday to the SIU Board of Trustees by Dr. Kenneth A. Shaw, president of SIUE.

Bids for hearing, ventilation and electrical work for the \$181,000 project were opened Jan. 19 and were received by the executive director of the CDB on Jan. 31. Dr. Shaw said contracts have been awarded to:

D. F. Edwards Heating Co., St. Louis, heating work, \$28,000; Granite Sheet Metal Works, Inc., Granite City, ventilation work, \$75,963; and Louis Payne Electric Co., electrical work, \$17,200.

Architect and engineering fees total \$22,400 and a contingency fund of \$17,357 has been allocated for the project.

The president said the project involves redesign of existing fume hoods, installation of new switches and control mechanisms, and installation of some new fume hoods.

He said the work will correct a "potentially hazardous situation of fume hood exhaust re-entering the Science Building."

Auto runs amok through garage

When the accelerator became stuck on the auto of a Granite City man, the vehicle traveled down the driveway through the rear wall of his garage, knocked down a fence around a neighbor's yard, then scrunched a tree and struck a shed and the dwelling of Mrs. Dillie Mae Kimbro, 2224 Dewey Ave.

The freak mishap occurred Monday. About 40 feet of fencing was damaged along the path of the vehicle's travel.

Daniel R. Earnhart, 45, of 2229 Illinois Ave., apparently was not injured in the accident.

Tolliver named president of Venice school board

The Venice Board of Education elected Jack R. Tolliver to serve as president at its formal reorganizational meeting Monday night.

This is the fourth time Tolliver has been named to head the Venice School Board of which he has been a member the past 11 years.

Tolliver, 51, of 1250 Klein St., succeeds the Rev. Richard H. Bailey in the office.

Elected board secretary was Wilbur Glasper, who was appointed to the board Nov. 15, 1976, to replace Charles Burger Jr., who resigned, and won a full three-year term in April 1977.

John Boushard, elected by voters in the April 8 election to a second three-year term on the board, was designated as vice-president, a newly-created position designed to assume the duties of Tolliver should the president be absent from the community.

A canvass of the April 8 election results was made immediately before the board's formal meeting began Monday. Voting tallies remained unchanged from the unofficial figures published in the Press-Record's April 10 issue.

The board adopted a resolution accepting the results of the canvass, which showed a total of 180 votes cast with 154 changed from the unofficial figures published in the Press-Record's April 10 issue.

The board adopted a resolution accepting the results of the canvass, which showed a total of 180 votes cast with 154 changed from the unofficial figures published in the Press-Record's April 10 issue.

None of the candidates was opposed, accounting for the greatly reduced vote total, it was noted.

Candidates, the number of votes cast for each in Precinct One and Two and totals, listed in sequence, are as follows:

JACK R. TOLLIVER
Board President

Gerald Cicio (three year term) received 133 votes at Precinct One, 22 at Precinct Two for a 155 total; John Boushard (three years), 124, 18 for 142 total; and George Wade (one-year term), 120, 21 for a 141 total.

The board rehired Lawrence Hartman as board attorney at a monthly salary of \$350, the same as last year.

Donald Phillips was rehired as school district treasurer, also at the same salary, \$175 per month.

The board secretary's monthly stipend remains at \$158. The secretary's post is rotated annually by board members.

The First National Bank in Madison will continue as depository for Venice School District funds, it was decided. Superintendent of Schools Robert N. Vickers was rehired, and other administrative

personnel were retained, including the director of Venice-Lincoln Technical Center and the Title VII program. The two latter positions are dependent upon continuance of federal funding.

The new board president, a federal government employee, is a graduate of Venice High School, is active as a coach with St. Mark's basketball teams and with Venice Boy Scout Troop One and Special Education Region One.

He is married to the former Evelyn Hartman and the father of five sons and one daughter. Glasper, an electrician, resides at 517 Filmore St. He was appointed interim secretary of the board at a special meeting earlier this month, replacing Tolliver, the previous secretary, who was out-of-town on business during the April 8 election.

KELLEY HEADS NATIONAL ELECTRIC POWER COUNCIL
Wendell J. Kelley, chairman and president of Illinois Power Company, was elected chairman of the National Electric Reliability Council at a meeting in New Orleans. Donald Paul Hodel, former administrator of the Bonneville Power Administration, was elected president of NERC.

Kelley was previously vice-chairman of the council, which was formed in 1968 from all segments of the electric utility industry — investor-owned, federal, municipal, state units and rural electric cooperatives working through nine regional reliability councils, it promotes the reliability and adequacy of bulk power supply of electric utility systems in North America.

4-car derailment blocks crossing

A four-car derailment in a 74-car Illinois Terminal Railroad train blocked Missouri Avenue (old Route 3) for about two hours Tuesday night.

Four cars loaded with coal jumped the rails at the crossing near the A.O. Smith Corp. plant at 10:35 p.m. Tuesday, completely closing the roadway.

An engine had to be brought down from Alton to divide the train and to pull the derailed cars from the roadway.

County

(Continued from Page 1)

The county's Environmental Control Department now has the authority to enforce such regulations, and that a new agency is not necessary.

If, in the future, the county should begin operation of a sewage treatment plant or other facilities, a Department of Public Works might be necessary, he said.

The rejected plan called for creation of a public works department under the control of the county highway department.

The board's action Wednesday makes Paul Hawkins, who is the county's environmental control officer, responsible for carrying out recommendations of the Public Law 208 water quality standards management plan. A resolution adopted by the County Board puts the board on record as agreeing to accept the responsibilities for developing a program to meet the 208 requirements.

The law is designed to assure that rivers, streams and lakes are "fishable and swimmable."

Madison may

(Continued from Page 1)

elect on April 9, 1977, to his first three-year term.

Dymas is employed by the city of Madison as recreation director and Bargiel is a Madison Police officer.

Mrs. Bosworth is a housewife. The official vote canvass of the annual school election balloting held Saturday, April 8, 1978, showed Richard Zeltser with 501 votes, Billie J. Bosworth 467, and Elvers Johnson 427 in the contest for two three-year terms.

Johnson, who was defeated in the election, was appointed April 14 to the board for one-year to fill the vacancy created by the resignation of Harold T. Fink.

Bargiel, unopposed, received 576 votes in the official canvass. Total ballots cast, according to the canvass, was 892, with 37 spoiled ballots.

Mrs. Evelyn Holt, cafeteria director for the Madison schools, in a letter dated April 18, tendered her resignation and applied for the secretarial position at the Harris School.

Mrs. Holt's letter said in part: "The amount of paper work and bookkeeping has increased each year to the extent that I am unable to perform the prime duties that I was hired to do."

President Dymas asked, "Mrs. Holt you have really done an outstanding job, is there anyway we can keep you?"

Board Member Bargiel said, "If we do get you the needed clerical assistance to help you perform your duties, would you consider staying on?"

Mrs. Holt asked that the board "Put it in writing."

The matter was tabled by the board for further consideration.

THIEF FROM AUTO
Thieves broke into the car of Linda McClanahan, 1634 Fourth St., Madison, and took a ball and glove set, a tennis racket, a volleyball, tennis shoes and two T-shirts, all valued at \$122. It was reported at 11:55 a.m. Saturday.

FASHION MODELS from home economic classes at Granite City High School North and South, who can be seen in a spring showing at 7 p.m. Tuesday, April 25, in the auditorium at South High School. From left to right are Karen Toussaint, Jeanne Spohn and Karen Spencer, wearing garments made in class. Admission is free and the public is invited to view the presentation.

Student style show Tuesday

Four categories of clothing will be displayed by students in the South-North home economics' fashion show, scheduled Tuesday evening, April 25, at 7 o'clock in the auditorium at the South High campus.

The public is invited to view the spring showing, which will feature outfits made by the young women themselves. Each will be judged in its

specific category and prizes will be awarded to the best garment displayed in each.

Freshmen through senior students are eligible to enter their own garments in one or two of the four areas of competition, according to Mildred Collins, home economics teacher at North, and Catherine Riebold, South High teacher.

North and South students and the categories in which they will be modeling and competing, include:
Dresses and jumpers — Sheila Gardner, Brenda Massey, Mary Eddleman, Lisa Tripp, Rose Trester, Kim White, Anne Johnson, Darcy Jewell, Tammy Hanfelder, Nancy Winchester, Terri Lowe, Virginia Wingerter, Carrie Walker, Karol Gargac and Carol Kidman.

Girl missing since March 28

Granite City police have been asked to look for Estella Bratcher, a former Granite City resident and student at Granite City High School North who has been missing from her home. The family now lives in St. Louis.

Mrs. Marie Bratcher, the girl's mother, said the girl, who is 15, has been missing since March 28 when she came to Granite City to visit a girl friend. She was wearing blue jeans, and a light-colored blouse when she left home, Mrs. Bratcher said.

The family lived in the 2500 block of Northbridge prior to moving to St. Louis about mid-March, Mrs. Bratcher said. Anyone with information about the girl may call 652-0792, she said.

Shower honors June Williams

Miss June Ellen Williams was honored at a bridal shower given by her aunts, Mrs. Shirley Brown, Mrs. Arlene Laub and her great-aunt Mrs. Ida Cassel at Niedringhaus United Methodist Church.

Guests were invited to join "June Ellen's Honeymoon Express" on Sunday.

The entire motif of the social event was that of a train. Centers of the tables were lined with a bandana print and each table had a miniature train coach holding fresh plants. On either side of the train windows were pictures of the honoree at different ages.

Candy favors were nut cups encircled with red bandana scarfs and small railroad signs. Large planted mums at the main table were wrapped in a matching scarfs and served as prizes won by Mrs. Mary Danner and Mrs. Ann Metz.

A large engineer's cap held a geranium plant which centered the "dining car" table and was awarded as a prize to Mrs. Arlene Haldeman.

The hostesses also dressed in denim and served as "Conductors" for the party.

Other prize winners included Patricia Roderick, Shelly Zesch and the honoree.

Guests present for the shower and luncheon were Mrs. Irene Zesch and her daughter Shelly Zesch, mother and sister of the groom elect, and Mesdames Shirley Loy, Anne Metz, Mable Gersch, Virginia Wolfe, Georgina MacMillan, Gladys Wallace, Eula Davis, Mary Roulund, Regina Jones, Betty Williams, mother of the guest of honor, Barbara Lapinski, a sister of the honoree, and Patricia Roderick.

Helen Hawkins to file as independent in board race

Helen Hawkins of Nameoki Township who lost her bid for the Democratic nomination as County Board member of District 26 has joined the ranks of defeated primary election candidates who are considering running as "independent" candidates in the Nov. 7 general election.

Mrs. Hawkins announced Tuesday that she will become an independent candidate for the board office and will circulate petitions of candidacy as soon as petition forms become available.

She said she has obtained from the State Election Board the rules under which she may file as an independent candidate and that under those rules she will not be required to form a "slate" of candidates, since the election involves only one board member in that district. District 26 is made up of Precincts 1, 5, 6, 8, 9, 10, 11 and 12 in Nameoki Township and Precinct 10 of Collinsville.

Mrs. Hawkins placed third in a field of three candidates seeking the Democratic nomination of District 26 in the primary election March 21. The Democratic nomination was won by Louis Whitehill, incumbent, who also defeated Arthur Theis who placed second.

There is no Republican candidate in that district. Becoming an independent candidate also is planned by State Rep. Joe Lucco (D-Edwardsville) who was defeated for renomination by

47½ votes in the primary balloting. Lucco is reported lining up a 56th Legislative District slate of candidates to run with him in the event a contest of the March 21 voting does not change the outcome. Circuit Judge A. A. "Andy" Matcoes who lost the Democratic primary for nomination to a full six-year term, also reported during the weekend that he is considering becoming an independent candidate in the November election.

Carl Gibson wins award for best safety suggestion

Carl E. Gibson, 4 Harrison Ave., has been awarded the 1978 Donald J. Will memorial safety award from Combustion Engineering, Inc., of St. Louis. The award is presented annually to one employee considered to have offered the best safety suggestion in the previous year.

A breakfast was given in Gibson's honor at the Hilton Inn of St. Louis, during which a \$100 check, trading stamps and a trophy were presented to him. His suggestion was for revisions in some plant electrical equipment to make the circuits safer. He is a custodian. The Donald J. Will memorial award is named for a former safety director of the plant.

Rockathon entries obtaining sponsors

The Granite City Society for Crippled Children is completing plans for its second annual "rockathon" at the Crossroads Plaza Shopping Center on May 13, it was announced by the president, Lily Chaboude.

Those participating will ask friends, relatives and neighbors to sponsor them with specified amounts per rocking hour.

The "rock" will start at 9 a.m. and continue until 9 p.m. Registration will be accepted before the start of the event, Mrs. Chaboude said.

All organizations are being invited to sponsor a member or to take part as a group in the project to raise funds to aid crippled and handicapped children. Entrants will be furnished

with sponsor sheets, available at Michel's Jewelry and Gift Shop, 1842 State St., or Ernie's Service Station, 2327 Washington Ave.

Ernest Hopkins, rockathon chairman, is making arrangements for refreshments and entertainment for the 12-hour event.

Fred Hoffman — Officer Police Department — will have a celebrity chair, with rockers changing at 15-minute intervals.

Mrs. Chaboude is asking that anyone who has a rocking chair, including lawn rockers, to lend it for the day and call Hopkins at his home, 877-7352, or at his business, 876-8788.

Students attend concert

Fourth-grade students of Dunbar School and eighth-grade students of the Madison Junior High School attended the St. Louis Symphony Concert at 11 a.m. Wednesday in Powell Symphony Hall, St. Louis.

Tickets for the students were provided by the Venice-Madison Fine Arts Committee through a grant from the Illinois Arts Council.

Attending with the students were Dunbar faculty members, Mrs. Willis Watts, Mrs. Rosie Field and Edward Sido.

Mrs. Dorothy Patton of Madison Junior High School also attended.

Mrs. Joan Range, a music student at Southern Illinois

University at Edwardsville, presented pre-concert lectures to the students so that they could be better prepared to enjoy and understand the music.

Mrs. Marguerite Connole, assistant curriculum director for Madison, and Mrs. Margaret Lee, chairman of the Fine Arts Committee, coordinated the event.

GIRL, 17, INJURED
Beth Kasinger, 17, of Kulpville, Pa., suffered a bump to her forehead and abrasions to both knees in a traffic accident this week and was treated at St. Elizabeth Hospital. She was released after treatment.

Bike safety training urged

Nearly 46 percent of America's population owns or rides a bicycle. In fact, there are more than 100 million bicyclists free-wheeling today, making the need for bicycle safety education more important than it ever has been, according to Granite City Police Chief Ronald J. Veizer.

American Bike Month in May is dedicated to promoting bicycle safety. This is the 22nd consecutive year that communities throughout the country have held special events geared to making their areas a safer place for bicyclists, Chief Veizer noted. Because more and more youngsters and adults are riding their two-wheelers for fun, physical fitness, energy-conservation and transportation, Veizer emphasized that the need for bicycle safety education in the schools, community centers and in cooperation with local law enforcement agencies is more urgent than ever before.

A recent two-year study released by the U.S. Department of Transportation showed that a common cause of many traffic accidents involving bicyclists was the "blind eye of the motorist," the chief said.

The study revealed that the scanning patterns of the motorist were beamed at other automobiles, frequently overlooking the presence of the bicyclist on the road. He cautioned motorists to remain alert to bike riders and respect their right to the road.

The study also pointed to the erratic and illegal maneuvers of bicyclists in unexpected places such as exiting from driveways and sidewalks onto public roads, thus creating

hazardous situations. Failure to stop or yield at controlled intersections also contributed to danger for bicyclists.

The Bicycle Manufacturers Association revealed that in addition to Illinois, Maryland, New York and Wisconsin, several other states are adopting formal bicycle safety education programs. Despite this trend, there still is a considerable vacuum toward getting practical education programs underway.

"There is no better time than during American Bike Month to remind citizens that bicycle safety is everyone's job," Veizer said. He reminded youngsters and adults that along with the Rules of the Road there is further need for maintenance of a bike to make sure that it is in safe operating order.

Most experts suggest that bikes should have regular maintenance inspections at a local bike shop, but there is no reason why the bike driver can't take simple steps toward preventive maintenance on his own.

Handlebars and seats should always be adjusted to fit the bike driver and tightened. Chains should always be kept lightly oiled and brakes should always be checked before going out on a bicycle. Meanwhile, it is a very simple procedure to check tire treading to make sure there are no stones or glass bits lodged there.

Chief Veizer recommended that the following Rules of the Road, issued by the Bicycle Manufacturers Association and endorsed by the International Association of Chiefs of Police be heeded not only during American Bike Month, but all

year long.

Those rules include:
Obey all applicable traffic regulations, signs, signals and markings.

Observe all local ordinances pertaining to bicycle operation. Keep right, drive with traffic, not against it. Drive single file.

Watch out for drain grates, soft shoulders and other road surface hazards.

Watch out for cars doing U-turns, or for cars pulling into traffic.

Don't carry passengers or packages that interfere with your vision or control.

Never hitch a ride on a truck or other vehicle.

Be extremely careful at all intersections, particularly when making a left turn.

Use hand signals to indicate turning or stopping.

Protect yourself at night with the required reflectors and lights.

Drive a safe bike. Have it inspected to ensure good mechanical condition.

Drive your bike defensively; watch out for the other guy.

\$10 MILLION SAVING ON STATE INSURANCE

A saving of \$10 million in the cost of state employees' group health and life insurance programs has been announced by Gov. James Thompson. He said it is a result of efforts to "cut the cost of government wherever we can."

The governor said \$7 million of the total can be used "to aid financially-strapped school districts" and the other \$3 million will be placed in the state's general revenue fund to add to the state's checkbook balance.

HONORED at a Moose class enrollment this week. Tommy Speece, right, who recently recruited his 100th member into Granite City Moose Lodge 272, receives a plaque and a ring in recognition of the feast from Jack Pentland, past state president of the Illinois Moose Association and guest speaker at the ritual ceremony.

Moose lodge installs; honors Tommie Speece

Twenty-three new members were installed this week by Granite City Moose Lodge 272 in a special class enrollment ceremony, which also served to honor Tommy Speece, a lodge member.

Speece was honored upon signing his 100th member into the local Moose lodge. His record feat was recognized by his fellow lodge members with the presentation of a plaque and ring by Jack Pentland, past president of the Illinois Moose Association, who was guest speaker at the installation event.

Performing the ritual ceremony for the newcomers were ritual team members from Edwardsville Moose Lodge 1561.

More than 200 persons witnessed the enrollment ceremony and attended a dinner and dance which followed.

Those enrolled this week were Joseph Smith, John Hampton, Tom Boyd, William Smith, Edward Harper, Steve Moore, George Dilday, Leroy Smith, Robert Noud, Vernon Johnson, Jerry Wallace, Leland Burris, Jerry Pendleton, John Burke, Herbert Miller, Terrance Brockhoff, Frank Griffin, Wallace Cook, Elbert Neal, Arnold Scherren, Wilfred Campbell, Terry Brake and Clifton McFarland.

Boyd Presley is the current governor of Moose Lodge 272.

New athletics program for GC schools in fall

Reorganization of the physical education and athletics program in the Granite City School District for grades kindergarten through 12 will be initiated in the fall of school in September, the Board of Education was informed last week.

Data for the new program was compiled after the retirement announcement of Miss Barbara Kerch, presently physical education consultant for senior and junior high and elementary schools.

The program, which will include job description and position titles for teachers, principals, physical education coordinators, athletic directors, coaches, assistant athletic directors and the administrative assistant P.E. Athletics and the assistant superintendent, was tabled until a later meeting.

Board members agreed to seek and accept applications for the job position now held by Miss Kerch, so that they may replace her for the forthcoming school year.

The Gifted Program application for state reimbursement for the 1978-79 year was approved by the board. The application was requested by Merna Musterman, gifted consultant.

In her request to continue the gifted program, Mrs. Musterman reported the budget is \$28,880 based upon the state's formula and can expect 89 percent reimbursement. The figure represents a reduction of \$1,091 due to the declining enrollment factor.

Approval also was given to Gary Crane, upper elementary teacher at Niedringhaus School, to be an exchange teacher for the next school year. He will teach in England and Brian Murray, an experienced teacher in the British school system, will teach the sixth grade at Niedringhaus.

Tom Holloway, vocational director, requested the board approve a second-semester reimbursement claim which would represent approximately \$75,000 in vocational reimbursement to the district. Approval was granted.

Holloway also submitted a report that he, Mildred Collins and Cathy Richold visited the Parents Utilize Prekindergarten Skills (PUPS) program at Collinsville. The PUPS is a program designed to train high school students in parenting and pre-school skills.

Rosemary McConkey, director of the program, said that later this year she will present the program to the state for validation and if it is approved it would act as a state and national demonstration site. As such, the program would be in the position to provide teacher training and to establish similar programs in other districts through grant monies.

Collinsville was informed in March that if funds are to be provided, the district must have the signature of the superintendent of at least one potential "adopting" district.

The board approved a move to notify the Collinsville School District of its interest in en-

tering into an agreement on the program.

During the meeting a report was read regarding the special education programs which currently are moving toward more vocationally and career-based approaches, especially at the high school level.

Special teachers already have incorporated many career oriented objectives and activities into their existing course outlines, with occupational information and work experience programs.

Source of the proposal is the Quincy Public School system which currently is receiving federal funds to operate a career education program. The content of the program is comprised of 11 different multi-experience centers, health occupations, grooming, furniture repair, etc., in which teachers would be trained.

Approval was granted by the board members for teachers Richard Lucido, DeeMama Spudich, Bob Gagliano, EMH at South, and Jane Fears, EHF-Resource at South. Paul Bowler, EHF-Resource at North and Judy Ward, MH at North, to participate at Quincy.

Tully A. Heubner, director of business affairs, has been nominated to serve as one of the directors of the state organization for the years 1978 through 1980, it was noted.

In other board action, the members gave permission to the Granite City Jaycees to use the track and field facilities for their local Sports Jammer on June 10, from 9 a.m. to 3 p.m. and to use the same facilities on June 24, for their state regional sports jammer.

The board also gave permission to the Lighting Fund Committee to use school grounds along Pehling Road as a site to locate a carnival with the proceeds from the May project to be used for the lighting of the sports complex. Resignations were accepted from Maudeine Chilton, teacher at Johnson School; Elvin L. Hoekstra, data processing; Marcia Blankenship, Grigby teacher; Marjorie Richards, Ronald E. Wood and Robert Whelan, all teachers at Coolidge, and Helen M. Meyer.

Services held for Miss Brandes, 82

Funeral services were held at 2 p.m. Wednesday, April 19, at the Marine United Church of Christ for Miss Edna F. Brandes, 82, of 124 N. Humbolt, Marine, Ill., a relative of Granite City residents.

Miss Brandes was a lifelong resident of Marine and a member of the United Church of Christ there. Survivors include one sister, Miss Esther Brandes of Marine; and four cousins.

Burial was in Marine (Ill.) Cemetery. STEAL GUN, CB A 23-channel CB radio, valued at \$79, and a .32 caliber blue steel revolver with a three-inch barrel were stolen from the cab of a truck belonging to Carl Gross, 6006 North Drive, reported at 2:30 p.m. Monday.

Honor test staff

Science Research Associates, Inc., has awarded certificates of educational development to Sonya Adkerson, counselor and chairperson of the testing committee, and to the Guidance Department at Granite City High School South.

This is in recognition of superior performance in South's administration of the National Education Development Tests, which were given to 47 sophomores in February.

LEGISLATION INTENDED TO CATCH TAX CHEATS

A package of bills intended to protect the public against tax cheating and other corrupt practices was introduced in the Illinois General Assembly during the weekend by Senate Republicans with the support of Gov. James Thompson. "I am placing a high priority on this program and am joining with the Republican leadership in the General Assembly in calling for bipartisan support of this legislation," he said.

Driver hurt at 162 and E. 23rd

A collision at 4:30 p.m. Monday at Highway 162 and East 23rd Street, involved an auto operated by the Rev. Thomas J. Malone, 41, of Edwardsville, and a pickup truck driven by Barbara J. Loeschner of Collinsville. The Rev. Malone suffered pains in the neck area and x-rays taken at St. Elizabeth Hospital, where he was treated and released. Mrs. Loeschner declined treatment.

GRANITE CITY PRESS-RECORD

KICK OPEN HOUSE DOOR
Awakened by a noise about 3 a.m., a resident of the 2100 block of Edwards Street turned on the light to find the door to her home standing wide open and two men running from the house. The door had been kicked open and the lock broken, police said Monday.

Delray marks 159th IOOF year

Delray Rebekah Lodge met at the Odd Fellows Hall in Madison, last week and observed the 159th anniversary of I.O.O.F. with Mrs. Betty Applegate, noble grand, reading a poem on the founding of Odd Fellowship.

Ella Pinkerton received her 25-year pin from Mary Martenson, past District 26 president, and was escorted by Betty Barnett.

A report by Thelma Stockton, delegate to the District 26, semi-annual meeting, was read, and Daisy Burnett, district deputy president reviewed a school of instruction she had attended.

Linda Butts was appointed to serve as chairman of a crafts booth to be featured in the May 7 House Tour and Craft's Fair of the Downtown Neighborhood Restoration Society in Granite City.

After the business session refreshments were served by Emyle Alford, Linda Butts and Thelma Stockton.

Others attending were Estella McBrien, Margie Lewis, Gussie Hesselman, Pearl Wood, E. Roberts, Opal Voss, Hazel Wheeler, Verna Wilman, Marie Ziegler, Irene Dawes, Donald and Dorothy Cramer, Leo Salmon, Pauline Richards, Edith Carpenter, Zelma Finch, Lucille Veach, Ruth Canagar and Agnes Meng.

The next meeting will convene at 8 p.m. on April 25, with Mrs. Burnett as chairman.

April meeting of Opti-Mrs.

Newly elected president of the Noon Day Opti-Mrs. Club, Mrs. Judy Dailey presided at the April meeting held Monday at Charlie's Restaurant.

Mrs. Myra Parrish gave the invocation and Mrs. Ertha Johnson recited the club creed. Past president Mrs. Marge O'Neill, distributed copies of the annual report and other reports were submitted by Mrs. Pat Konzen, Mrs. Goldie Fischer, Mrs. Virginia John and Mrs. Elsie Henley.

Mrs. Dailey shared events planned for the forthcoming year, and noted a party is planned for May 24 at the Sunset Hills Country Club.

Birthday celebrations were acknowledged for April, during the meeting. Hostesses for the day included Mrs. Nell Jennings, chairman, and Catherine Michel, Ella Odum and Elsie Branding.

Those winning prizes were Helen Wyman, Mrs. Parrish, Virginia John and Mrs. O'Neill. Others attending were Mesdames Edna Buckel, Mildred Branding, Tomes Kirchoff, Lydia Nelson, Lorine Rant, Bobbie Roach, Ruth Sternberg, Elvira Thurber, Helen Todd, Mary Werner and Marcia Buenger.

Jr. Bay View installs

The installation dinner party of Junior Bay View Reading Club was held during the weekend at Charlie's Restaurant.

Spring garden flowers arranged in a silver bowl served as the table centerpiece with tall tapers in silver candlesticks.

Mrs. Alice Hunsinger and Mrs. Velma Neuman were in charge of the party plans.

After dinner Mrs. Hunsinger installed Mrs. Mildred Jungels, as president for a second term, Mrs. Neuman, vice-president, and Mrs. Marguerite Lexow, secretary-treasurer. Club members presented Mrs. Jungels with a gift in appreciation of her first year in office.

Games were played during the evening with prizes awarded to Mrs. Sharon Loftus, Mrs. Hunsinger and Mrs. Lexow.

Nine members attended including a guest, Mrs. Dorothy Mathews.

In lieu of the May meeting the group plan to attend a play at the Plantation Dinner Theater.

Bridal luncheon fetes Kathy Watts

A bridal luncheon was given during the weekend to honor Miss Kathy Jo Watts, who will become the bride of Edward Dennis, on June 10.

Hosting the social event was Miss Mary Lou Metcalf, who will serve as bridesmaid, and her mother Mrs. William Metcalf.

After the honoree opened her gifts, games were played and prizes awarded to Mesdames Calvin Compton, Otto Shelton, Vince Brinkman, Harold Murphy, Leland Hold and Vivian Watts.

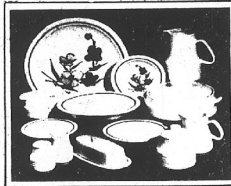

Other guests attending were Mesdames Edward Ennis, Gene Goble, Rufus Ramsey and H. B. Watts, paternal Grandmother of the guest of honor.

Hilda Lenore Bixler and Floyd Anderson are wed

Miss Hilda Lenore Bixler, daughter of Mr. and Mrs. Robert Bixler, 909 East Chain of Rocks Road, and Floyd Anderson, son of Mrs. Trudy Anderson and the late Floyd O. Anderson of Edwardsville, exchanged wedding vows at 2 p.m. Saturday, April 13, at the home of her parents.

The ceremony was performed by the Rev. John Robert Widin of the Bethel Evangelical Free Church, under an arch decorated with spring flowers.

A program of wedding music was recordings of Lohengrin. The bride escorted by her father, was attired in a floor length gown of antique white with round neckline of Chantilly, long sleeves finished with deep lace ruffles, as cuffs. The molded empire bodice was defined at the waist with an antique white belt tied in the back.

Her bouquet of spring flowers matches the half moon headpiece which secured her veil of illusion.

Sherry Lundick, a friend of the bride, was honor attendant. She wore a dress of mint green and she carried a bouquet of spring flowers.

Mike Mertly, served as best man. Spring flowers decorated the home for the reception, following the ceremony.

Out of town guests included Mrs. Vera Dement and daughter Melissa, a sister and niece of the bride from Kimberling City, Mo., Mr. and Mrs. Howard Price and daughter Maria of Mulberry Grove, Ill. and Bill Harper of St. Louis, Mo.

GC students to appear in Civic Ballet event

Three Granite City students will perform in the St. Louis Civic Ballet's Spring Concert, to be presented Saturday and Sunday, April 29 and April 30, in the auditorium at John Burroughs High School, 755 S. Price Road, Ladue, Mo.

The student performers are Lia and Mike Salem and Bonnie Luebert.

Lia, a student at Granite City High School North, and Mike, a pupil at Lake School, will dance in a ballet presented by the Junior Company. Lia also will appear in "Ballet Fantastique," a humorous foot tap ballet, performed by the Senior Company.

Miss Luebert, a student at South High School, will dance the principal roles in three Senior Company ballets.

All three young people attend the Ballet Arts Academy in St. Louis. Mike and Lia Salem are students at the Salem School of Dance and Bonnie is a graduate of the local school.

Japanese florals studied

The Cloverview Garden Club members Mrs. Kenneth Brokaw and Mrs. Fred Orr are sponsoring a study and exhibit of a Japanese arrangement in the Moribana style, at the April club meeting. Dogwood branches and daffodils were used symbolizing heaven, man and earth. A discussion followed the presentation. Members will study a different type of floral arrangement, it was announced.

Members met in the home of Mrs. John Jenkins and were served a dessert luncheon, prior to the meeting.

President Mrs. Eldon Meikamp presided and the club collect was read in union. Mrs. Fred Orr gave the pledge to the garden club flag.

A letter from Illinois Power Co., relating to programs they have available for clubs was discussed as well as a letter from the Downtown Neighborhood Restoration Society, inviting the club to participate in its Arts and Crafts Show. The show will be in conjunction with the House Tour set for Sunday, May 7.

Republican Women attend meet

Members of the Granite City Republican Women's Club attended the Madison County Republican Women's Club annual spring meeting, held Monday night, in the Colonial Room at the Schlemer Realty offices in Edwardsville.

Mrs. Eleanor Schulte, president of the Edwardsville Club, served as hostess and gave the welcoming address.

She also introduced candidates who spoke during the evening including Everett Steele, Dan Stuck, Gladys Lewis, Robert Bibb, and Jerry Cohan. Mrs. Louise Dutko of the local group spoke in behalf of Janice Wilson who was unable to attend.

Philathea Class holds memorial

The Philathea Class of Niederrhaus United Methodist Church met in the church parlor Tuesday for a devotional and business meeting.

Miss Mabel Stewart and Miss Katherine Van Order were hostesses and served a dessert luncheon.

Miss Stewart and Miss Van Order presided over the group during a memorial service honoring the 33 class members who have died since the organization of the Philathea Class over 50 years ago.

Mrs. Bethel Davis chose excerpts from her writings in the weekly bulletins of the 200 Street Mission, "behind the mill," for her devotional program.

A business meeting was conducted by the class president, Mary Ahlvers, and plans were completed for the May dinner meeting to be held at Sonny and Char's at the regular meeting time. Those who need transportation may contact the president for more information.

Others present were Marv Clover, Olga Therns, Nell Hart, Pearl Campbell, Augusta Pender, and Emma Schoen.

QUALIFYING TRIALS for Hair Fashion status taking place this week resulted in three local beauticians achieving their goal. Shown here, front row, are models, Margaret Zimmerman, Sue DeGonia and Evelyn Hood. Second row, from left, Margarita Novosel, artist and qualifier, Marcella Tucker, auditor in the trials, Wilene Gregory, timekeeper, Julie Ahring, stylist and qualifier, Jolene Prewett, auditor, and Michael Hopke, stylist and qualifier.

Qualify for Hair Fashion status

Hair Fashion qualification trials were held this week at the Granite City School of Beauty for members of the Illinois Hairdressers and Cosmetologists Association's Affiliate 33 of Granite City and Edwardsville Affiliate 23.

Beauticians qualifying during the event were Julie Ahring, Margarita Novosel and Michael Hopke, all of Granite City, and Carolyn Voss and Larry Washburn, Edwardsville affiliate members.

River Bluffs Council elects five GC women

River Bluffs Girl Scout Council elected Mrs. Paul (Ellen) Fischer of Godfrey, Ill., as first vice-president, for 1978-81 years and five Granite City women to council offices, during the annual meeting held at Panorama Bowling Lanes in Belleville.

Local women involved in the Girl Scouting program who were also elected include Mrs. James (Nan) Henderson, as second vice-president; Mrs. David (Myra) Parrish and Mrs. Leo (Pauline) Schank, as members-at-large for 1978-81; and Mrs. John (Arline) Brinkmeyer and Mrs. Chris (Angie) Kefalas, as succeeding nominating committee members.

Mrs. Brinkmeyer will serve until 1980 and Mrs. Kefalas will terminate her office in 1980. There were 11 other women elected to offices, who reside within the county wide boundaries of the council.

The annual spring leaders luncheon will be held at Camp Butterfly April 28-30, designed for leaders, co-leaders, committee members or other adults interested in the program.

An announcement was also made of the 1978 Girl Scout Photography Awards Program, sponsored by Eastman Kodak Co., featuring a theme this year of "The Worlds of Girl Scouting."

Photographs or slides submitted should tell a story and show people what the photographer feels is best about the program, it was noted. All registered girls, adults and parents of Girls Scouts are eligible to participate in three age categories.

A \$500 U.S. Savings Bond will be awarded in each category for the most outstanding photograph in color or black and white; \$100 bonds for color and black and white photos of distinction, and certificates to merit for other entries winning the approval of the judges.

Entries must be postmarked not later than June 30. Official entry forms may be obtained by writing Girl Scout Photography awards, GSUSA, 880 Third Ave., New York, N.Y. 10102, according to the announcement.

"Crazy Bowling" night for group

The New Ecclesia, an adult fellowship organization at St. John United Church of Christ, 2901 Nameoki, held its first activity this week, a "Crazy Bowl" event at Brunswick Bowl.

More than 50 people participated in the bowling party with such antics as bowling blindfolded, bowling from a chair and bowling backward, among other events.

Scotch doubles followed the fun segment.

After the party, those taking part met at the church for a potluck supper.

Special fun prizes were awarded to Rose Marie Bauer, Carl and Ted Waller and Vicki and Mack Johnson for achieving high scores in the games.

The New Ecclesia is planning a dinner and show at the Goldenrod Showboat on May 21.

Hilltoppers meet at St. John's Church

The Hilltoppers Club met last week at St. John United Church of Christ, for its April meeting and program presented by Mrs. Helen Pfeiffer and Jim Mory, interim pastor of the church, Sunday, April 22-23, at the Victory Pentecostal Church, 2601 Cayuga Ave. and Rock Road, according to the pastor, the Rev. Bobby George.

President Mrs. Betty Cooper opened the meeting and prayer was offered by Oliver Pfeiffer, followed by the pledge to the flag given in unison by the group.

Three guests, Mrs. Marge Roman, Mrs. Sara Langan and son Jacob, were introduced by the president.

Members noted as being ill were Irene Hendricks, Betty Poolinger, Ann Kunemann and Clova Taylor.

Closing meditations were given by Jim Mory and the members recited the Lord's Prayer. After the meeting refreshments were served and games played with prizes awarded to the winners.

Playball!

That's not the only thing four teams from all over Illinois will do this weekend in the South baseball tourney

By PETE HAYES, Press-Record Sports Editor
GRANITE CITY — For Granite City South baseball coach Conrad "Babe" Champion, this weekend marks one of the best things that will happen to his team all season.

Exactly what is going on with Champion this weekend is the fourth annual Granite City South Round-Robin Baseball Tournament.

"I wish we could do this all year long," said Champion. "It gives us an opportunity to play teams from all areas of the state and is a great chance for fellowship."

There will be four teams involved in the tournament, Centralia, from the southern part of Illinois, Skokie-Niles East, from the Chicago area, and Granite City North and South.

Each of the four teams is to play three games. There will be two games played Friday afternoon and four on Saturday.

Friday, Niles East will play North on Diamond 1 in Wilson Park and Centralia will face South on the varsity field at the South campus. Both games are set to start at 4 p.m.

Saturday, Centralia meets North on Diamond 1 and Niles East faces South on the South field. At 12:30 p.m., Niles East will face Centralia on the South field. In case of an extra-inning game in the first session, there will be a 20-minute intermission before the start of the second game.

"I wish we could do this all year long," said Champion. "It gives us an opportunity to play teams from all areas of the state and is a great chance for fellowship."

There will be four teams involved in the tournament, Centralia, from the southern part of Illinois, Skokie-Niles East, from the Chicago area, and Granite City North and South.

Each of the four teams is to play three games. There will be two games played Friday afternoon and four on Saturday.

Friday, Niles East will play North on Diamond 1 in Wilson Park and Centralia will face South on the varsity field at the South campus. Both games are set to start at 4 p.m.

of one of the Granite City youths.

"IN SOME CASES, we have had to double-up and when we did, we put a Skokie player with a Centralia player," said Champion. "This is because we want all the kids to have a chance to meet and talk with guys from the other end of the state."

Granite City North goes into the tournament as the team with the best record. The Steelers stand at 7-0. South is next at 7-3. Centralia's Orphans were 6-5, pending the outcome of yesterday's game in the Kaskaskia Tournament against Okawville. Niles East has had problems with the weather and has only played three games. The Trojans are 2-1.

OTHER TEAMS that have been participants in the tournament are Peoria Limestone, Johnston City and Blytheville, Ark.

"We could've had Blytheville this year," said Champion. "But we were already booked-up as far as having the four

teams we needed. But they'll be entered in it next year."

"Another school that wants into the tournament is Quigley South from Chicago."

Champion feels that his school is in the perfect position to host such a tournament. "We could go up to Chicago," he said. "But we're situated so that it's not really too far from any of the areas from which we draw teams. For instance, there are a couple of Kansas City schools that are interested in entering the tournament in the future."

"If we could have teams from Chicago, St. Louis, Kansas City, Southern Illinois and Granite City, wouldn't that be just a super thing?"

KANSAS CITY is no stranger to the Warriors from South. Two years ago, Champion and his name were involved to the west side of Missouri, played three different Kansas City teams, and were given free tickets to see the Kansas City Royals play. "Champion feels that the fellowship and friendship

gained from an experience such as the tournament is long-lasting. "We've had some guys on our teams from a few years back say, 'Hey, remember that we played against from 50-and-so in the tournament?' I saw him a few days ago and he's going to school at such and such."

"THIS IS what it's all about, seeing places and people you've never seen, making new friends and having some fun playing a little baseball."

A pot-luck supper will be served to all the players, coaches and fans following the Friday games in the South school cafeteria. Following the meal, players, fans and coaches will go their separate ways to their homes for the night.

CHAMPION FEELS that sports in general is a good way to meet friends and emphasizes the point. "You can really meet some interesting people and make some long-lasting friends by participating in sports," he said. "I really hope the guys on the team appreciate what a thing like this can mean to them."

Carlyn Jackson with 16 feet, two inches.

Tim Colston of Madison was the individual medalist in both the long jump and triple jump with 16 feet 20 inches and 41 feet nine inches in the long jump and 41 feet nine inches in the triple jump. Bethalto won the long jump with a total of 37 feet, nine inches. Madison was second with 57 feet, 8 1/2 inches and Jerseyville was third with 56 feet, 11 inches. O'Fallon won the triple jump with 119 feet, six inches. Mascoutah finished second followed by Madison in third.

The next action for Madison will be this Saturday in the Red Bud Invitational. A total of 18 teams will be entered in the meet, including Freeburg, Dupo, Nashville, Chester, Westville, Duquoin, Marissa, Waterloo Senior and Gibault. Carlinville, P. Waltonville, Ziegler-Hoyakton, St. Paul Highland, Triad, Okawville, Breese Mater Dei and Breese Central.

State track meet set

BLOOMINGTON — Athletes from 628 downstate, suburban and non-Chicago Public League schools will compete at the district level in the 8th Illinois High School Association (IHSA) Boys State Track and Field Meet Series the weekend of May 19-20.

G.I.S.S. class begins Monday

A new session of women's G.I.S.S. (Get In Shape For Summer) classes will be starting on April 24 at the Tri-City Area YMCA. These exercise classes which include floor exercises and light jogging are conducted at a variety of times.

Lee Suarez instructs class on Monday and Wednesday at 10 a.m., Ellen Wilson instructs class on Tuesday and Thursday at noon, and both teach the Tuesday and Thursday evening class at 7 p.m. Each session has eight classes.

Qualifiers in events in both Class A and Class AA competition, along with qualifiers from the Chicago Public League qualifying meet, will converge on O'Brien Stadium on the campus of Eastern Illinois University, Charleston, the following weekend (May 26-27) for the 4th Annual two-class State Final Meet. Schools with enrollments of 750 or less compete for Class A laurels, while schools with enrollments of 751 or more compete for Class AA honors. Chicago Public League schools compete in Class AA.

There will be 370 schools competing at 16 Class A districts and 236 schools competing at 14 Class AA districts. District competition will be conducted either Friday night or Saturday afternoon.

GRANITE CITY North and South will be entered in the Belleville West Class AA District, which will be held at Lancer Field at Belleville East High School. It will be held Friday, May 19. There are 20

teams entered in the district. Madison will be entered in the Red Bud Class A District on Saturday, May 20. A total of 21 teams are entered in that district.

Competition in the fourth two-class State Final Meet will be conducted concurrently with preliminary competition in all events scheduled to begin at 9 a.m. Friday, May 26. The running event finals are scheduled to begin Saturday, May 27 at 12:15 p.m. Field event finals are scheduled to get underway at 9 a.m. In the running events, the Class final will precede the Class AA final.

FIRST and second place finishers in each event on both classes will advance to the State Final Meet from the districts. In addition, individuals and/or relay teams which finish third, fourth or fifth that equal or surpass the minimum qualifying standards also will advance to the state final meet.

TICKETS for each session of the two-day state final will be priced at \$2 each. Tickets will be on sale each day at the ticket windows on the west side of O'Brien Stadium. There are no season tickets.

Gail Olson, Sycamore High School's national-ranked high jumper, will begin defense of his record-setting title at the Rockford (Gulfport) District.

WOOD RIVER — The Madison Trojan track team, hampered by two relay event disqualifications, was held to a fifth place finish in the Wood River Relays here yesterday.

O'Fallon won the meet with 103 points. Carlinville was second with 83, Mascoutah, was third with 64, Blytheville has 49, and Niles East had 46.

Wood River was sixth with 33 points, Lebanon had 30, Westville 28, Jerseyville 26, Waterloo and Hillsboro 12 each and Roxana 9.

Madison defeated Triad earlier in the week in a dual meet at Triad, 77-62.

The Madison freshman-sophomore mile relay ran out of its lane and was disqualified, thus erasing a third place finish for the Trojans. The heavyman's (190-pounds or more) 440 yard relay team of Madison was also not allowed its third place finish because one of the relay man got his helmet too early.

"These two events probably would have moved us up into third place as a team," said Madison coach Charles Steptoe. "But there are a lot of 'ifs' and 'buts' in a thing like this."

MOST of the times in the meet were held down somewhat because of the cold weather which caused many of the athletes to wait for their teams in their team buses in order to stay warm.

The Madison team of Tim Colston, James Heard, Marcus White and Earnest Davenport won the 880-yard relay in a time of 1:34.4. The team was a meet record, breaking the one set last year by Madison. The old mark was 1:35.6.

The two-mile relay was won by Lebanon in 8:26.1. Carlinville was second in 8:34.5, followed by Mascoutah in third at 8:44.7.

The freshman-sophomore 440 yard dash was also won by Carlinville in 48.1. O'Fallon was second in 48.5, followed by Madison in third at 50.9.

Madison finished second in the varsity 440-yard relay in a time of 45.7. It marked the first time this season that the Trojans have fallen in the event. Jerseyville barely did it, though. Their team ran through with the same time as Madison, but out-learned them at the tape. Bethalto was third in 46.0.

Fallon won the low hurdle shuttle in 57:0. Mascoutah was second in 58:45 and Bethalto was third in 57.5.

Lebanon won the distance

medley in 11:10.1. O'Fallon was second in 11:25.2 followed by Waterloo in 11:35.7.

O'Fallon was the winner in the high hurdles shuttle in 37.7. Mascoutah was second in 38.1 followed by Bethalto in 39.4.

The 440-yard heavyman relay was won by Bethalto in 48.1. Westville was second in 49.3, followed by Hillsboro in 50.2.

Carlinville was the winner of the freshman-sophomore mile relay in a time of 3:54.2. Lebanon was second in 3:54.4, followed by Mascoutah in third at 3:56.8.

The varsity mile relay was taken by O'Fallon in 3:38.0. Madison was second in 3:40.0 followed by Carlinville in 3:41.4.

The Madison team members are White, Heard, Carlyn

Jackson and Davenport.

CARLINVILLE won the shot put with a combined distance of 135 feet, four inches. O'Fallon was second with 135 feet, 11 inches and Mascoutah was third at 128 feet, seven inches. Three team members from each squad combined their distances for the total used to determine the winners in each field event.

Carlinville also won the discus with a total of 392 feet, 8 1/2 inches. O'Fallon was second at 376 feet, 3 1/2 inches and Wood River was third at 357 feet, 2 1/2 inches.

The high jump was won by O'Fallon with 17 feet, two inches. Wood River was second at 17 feet, Bethalto was third at 16 feet, eight inches followed by the Madison team of Ron Morris, Sylvester Collins and

South girls second in triangular; host invitational Saturday

GRANITE CITY — The Granite City South girls' track team finished second in a triangular meet here Monday afternoon.

The meet was held at St. Staunton, Edwardsville won the meet with 76 points, South had 75 and Staunton 36.

Despite the second place finish, South coach Charlotte Charbonnier was pleased with her team's performance. "We really were beaten badly by both of these teams last year," she said. "We're farther along than at this time a year ago. I'm really pleased with our overall effort thus far."

Linda Bell was the winner of the 100-yard dash with a time of 1:25. Rhonda Sanders of South was third. In the 440-yard dash, Chris Boyd was the winner in a time of 1:06. Betty Bulva was third at 1:11. In the 220-yard hurdles, Dana DePew was in 37 while her teammate, Debbie Engleman was fourth at 37.7. Engleman had a time of 1:19.

The South mile relay team of Laura Wertz, Dee Ehrstoft, Debbie Burnett and Chris Boyd placed second with a time of 4:42.8. The 880-yard medley team of Wertz, Rhonda Reish, Isha Schleicher, Linda Bell and Burnett placed second in 2:10.4. South was also second in the 440-yard relay. The team of Rhonda Sanders, Scheicher, Bell and Reish ran it in a time of 34.8.

Wertz was the winner of the half-mile in a time of 2:44.5. Lisa Sarich was the winner of the discus and shot put. She heaved the shot 33 feet, 8 2/3 inches and disc 99 feet, one inch. Cindy Jackovich was second in the discus at 96 feet, two inches. Sandy Schreiber of South was second in the mile-run with a time of 6:27.4, and in the two-

mile in 14:07.3.

Boyd was third in the long jump with a leap of 14 feet, 3 1/2 inches.

The next action for South, Madison and North will be this Saturday in the South Girls' Track Invitational, which is set

to begin at 8:30 a.m.

The invitational which will be run for the fifth time, will have its largest gathering of teams ever. Those to send teams are Wood River, Altam, East St. Louis, Lincoln, Red Bud,

Waterloo, Mascoutah, East St. Louis Senior, Freeburg, Collinsville, Cahokia, Edwardsville, Belleville East, Belleville West and O'Fallon, besides North, South and Madison.

Malloy signs at SIUE

Pat Malloy, a standout soccer player on the Hazelwood (Missouri) Central High School team, has signed to enroll at Southern Illinois University at Edwardsville, it has been announced by Bob Guelker, the Cougars' varsity coach.

The 6'1", 175-pound Malloy joins his older brother, Matt, who was a key player on the SIUE soccer varsity which battled its way to a third-place finish in the NCAA Division I championship tournament last December at the University of California at Berkeley.

Said Guelker: "Pat is capable of playing both up front and in the backfield. He's big and strong and is definitely a two-way player. However, I will probably use him mostly as a back. He has one of the best 'throw-ins' I've seen... always for good distance. He'll definitely help us."

Malloy lettered three years at Hazelwood, was all-conference both his junior and senior years and was selected on the Missouri state second all-star team. Malloy also served as team captain his senior year and was chosen by his teammates as the squad's Most Valuable Player at Central.

In addition, Malloy was a key member of Rick Benben's Ruiz junior team which captured the Missouri state championship last year.

Marie Poiter and Karen Guth. Second row: Deanne Wilmesmyer, Ann Roberson, Sue Burnett, Rhonda Hilker, Gail Planitz, Rita Gula, Rosemary Tomlovic, coach, and Carol Hutson. The seventh graders at right are (first row L-R): Chris Byer, Carolyn Horbelt, Denise Portell, Loretta Straubinger, Mickey Loftus and Marilyn Horbelt. Second row: Christina Kessler, Karen DeRousse, Becky Copeland, Kim Gregory, Rosemary Tonlvic, coach, Mary Turck, Beth Turner, Amy Hartman and Marian Valencia.

North lambasts Wesclin, 13-0

By PETE HAYES
Press-Record Sports Editor
TRENTON, ILL. — Granite City High School North's baseball Steelers pounded out 14 hits and scored five runs in the second inning and seven in the third enroute to a 13-0 annihilation of Wesclin (Trenton-New Baden) here Tuesday in a game called after five innings because of the 10-run rule. North pitcher Doug Rains worked for three innings and notched his third victory of the season. Kevin Ragan pitched the final two innings for the Steelers.

AFTER TAKING A 1-0 lead in the first, the Steelers used three stolen bases, two balk calls against Wesclin pitcher Joe Mathis and four singles to score five times, taking a 6-0 lead. But the big inning for North was the third. Bruce Wright led off the frame by reaching base on an error by Mathis. He stole second and third.

After Steeler catcher Jeff Hamilton reached base on a bunt, and stole second base, he and Wright scored on Mike Robertson's single.

ROBERTSON then stole second himself and scored when Terry Page singled.

North shortstop Bob Baty then hit a line drive to centerfield, where Wesclin's Ted Moffatt made a diving catch. But Page tagged up and scored on the play ... after having stolen second and third.

Steeler first baseman Rich Willard tripled with two out and scored when Tom Greco singled.

GRECO then stole second and third. Rains then walked just ahead of Russ Gregory's single which scored Greco. Wright,

bating for the second time in the inning, helped finish off the North scoring when he got a single, driving in Rains.

It was not a good day for Wesclin pitchers. They had trouble holding Steelers on base the entire game and saw North steal 14 bases against them.

"We stole those bases on the pitcher," said North head coach Bob Stegemeier. "That's just the way we have to play the game in order to be effective."

"I TOLD the Wesclin staff afterwards that we weren't trying to make them look bad or to rub it in. It's just that we have to be aggressive on the bases to be effective, because we're not going to have the one big hit to break the game open. We have to scrap for everything we get."

Going into the South Tournament this weekend, North's pitching rotation looks like this: Terry Page against Niles East Friday, Steve Doty against Centralia Saturday in the first game and Rains against Granite City South in Saturday's second game.

"It just happened to work out that way," said Stegemeier about the fact that his ace, Rains, will work against South. "We're trying to pitch our guys every fourth day, so that just happens to be the way one worked out."

STEGEMEIER said that he hopes junior Russ Chappell comes around and is able to see some action on the mound in the latter stages of the season. He has been hampered by soreness in his pitching arm most of the season but seems to be headed back toward the mound that earned him a spot in the North starting rotation last season as a sophomore.

Warriors grab first win

GRANITE CITY — The Granite City South tennis Warriors won their first dual meet of the season here yesterday against East St. Louis Lincoln, 5-0.

In singles action, Tom Boker defeated Tyrone Doss 6-1, 6-3, Ron Backs beat Donnie Berry 7-6, 6-1, Herman (Dutch) Schroeder defeated Arthur Henderson 7-5, 6-4.

In doubles action, Terry Malch and Kevin Harmon beat

Umpire meeting to be tonight

There will be a meeting of all umpires who plan to work for the Granite City Park District Softball Leagues today, April 20 at 7 p.m. at the Nameoki Recreation Center, Franklin and Amos avenues.

It is mandatory that all those planning to umpire softball games attend this meeting, according to Harold E. Brown, Director of Parks and Recreation.

Hoe Lewis and Ernest Lockett 6-0, 6-0, and John Longos and Kevin Romine defeated Reggie Johnson and Kenneth Williams 6-1, 6-0.

Hole-in-one by Mike Moran

Mike Moran, 14, formerly of Granite City, a freshman at Triad High School, made a hole-in-one during the weekend at the Oak Brook Country Club, Edwardsville.

The young golfer — using a five iron on the eleventh hole — made a 142-yard drive into the cup.

He is the son of Mr. and Mrs. Ted Moran, now living in Troy, and the grandson of Mr. and Mrs. Edmund Groimes, 2555 Waterman Ave.

Back-to-back champs
Granite City High School South won the 1977 and '78 state soccer championships. It was the first time in history that any school had put together back-to-back championships.

Granite City South's scheduled game Tuesday at Carlyle against the Indians was postponed because of wet grounds and has not been rescheduled as of yet.

MADISON AND VENICE

each had games postponed

because of wet field conditions. The game Tuesday at Madison between the Trojans and Venice was postponed, as was yesterday's Trojan game at home against Livingston. No make up dates have been picked for these games.

This afternoon, Madison will face Belleville Alhiff at 4 o'clock. Saturday, the Trojans will host Alton Marquette at 10 a.m. in a doubleheader. The next scheduled game for Venice is Tuesday, April 25 at Marquette.

South gymnasts win

GRANITE CITY — Granite City South's girls' gymnasts won a triangular meet at Granite City High School North Tuesday afternoon with the hosts and Edwardsville. South finished with 157.80 points, Edwardsville had 155.30 and North 130.95.

On the uneven parallel bars, South's Marie Little finished first with an average of 8.95 points. Angie Cler of Edwardsville was second with 8.90, Dee Dee Schleicher of North was third with 8.80, Melanie Rappaus of South fourth at 8.70 and South's Theresa McFalls fifth with 8.50.

Cler took the honors in the balance beam competition with

an average of 8.64. Dee Anne Dorsey of Edwardsville was second at 7.80. Dottie Dyer of North was third with 7.65, followed by Edwardsville's Sherry Nolte at 7.60 and South's Rappaus at 7.30.

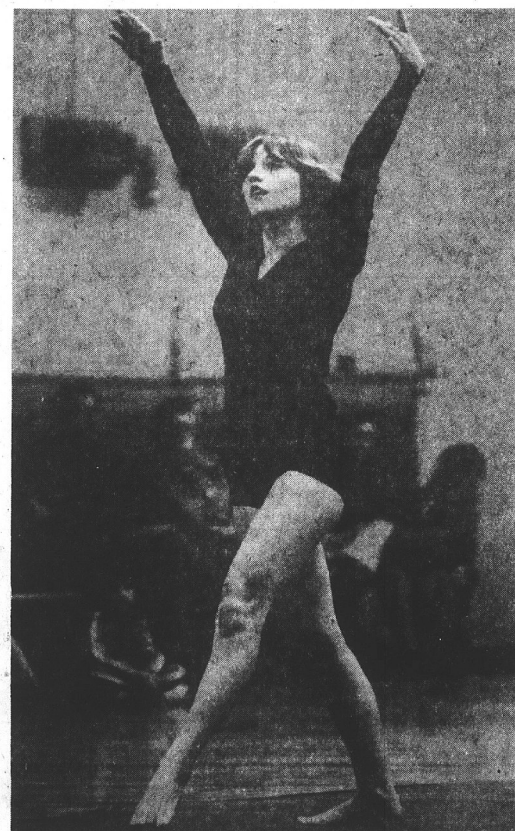

Dorsey and Cler tied for first in the vaulting competition for Edwardsville, each amassing an average of 8.10 points. Schleicher was tied with Missie Lane of Edwardsville for second with 8.05. Rappaus was third at 8.0. Dana Jones of South was fourth for South with 7.95. McFalls and Becky Carpenter of Edwardsville tied for fifth at 7.80.

Cler took the honors in the floor exercises with an 8.80

mark. Marilyn Szczepanick of North was second with an average of 8.80. Diane Boyce of South and Dorsey from Edwardsville were tied for third at 8.35. Nolte was fourth at 8.30 followed by South's Terri Deterding with a mark of 8.20.

The overall honors, for girls who competed in all four events, were all won by Edwardsville. Cler took first, followed by Dorsey in second, Nolte, Cori Agne and Carpenter.

The next action for Granite City North and South will be Saturday afternoon at Edwardsville along with Triad (St. Jacob-Troy-Marine) and Wood River, beginning at 2 p.m.

TERRI DETERDING of South performs Tuesday afternoon in the floor exercise event of the gymnastics meet at GCHS North with North and Edwardsville. She was fifth in the floor event, helping her team to a victory in the meet. (Photo Record photo by Pam Hayes)

Nursing home birthday party set

St. Margaret Mary Ladies Club will entertain the residents at Colonial Haven Nursing Home on Monday, April 24, at a special birthday party, it was announced at the monthly meeting of the club last week.

The Madison Senior Citizen Band will provide the entertainment, according to Mrs. Karen Costello, club president. Mrs. Costello introduced Mary Jane Shadowen from the rape crisis center at Southern Illinois University at Edwardsville, who was guest speaker. After her presentation the business session continued with the announcements of activities of church Women United reviewed by Mrs. Marilyn Aerne.

The president noted playground equipment has been purchased from the proceeds of the annual church bazaar and volunteers are needed to erect the equipment.

A mother and daughter pot luck dinner is set for May 9 meeting, it was noted.

JULY BRIDE-ELECT. Miss Nancy Accola whose engagement to Dr. Robert Doroghazi is being announced by her parents, Mr. and Mrs. Alven Accola, 2118 Hamilton Ave. A July 29th wedding is planned.

Nancy Accola is betrothed

Mr. and Mrs. Alven Accola, 2118 Hamilton Ave., are announcing the engagement of their daughter, Miss Nancy Accola to Dr. Robert Doroghazi, a son of Mr. and Mrs. John Doroghazi, 4027 Stearn Ave.

The bride-to-be is a graduate of Granite City High School South and she received her RN from Deaconess Hospital School of Nursing, St. Louis. Miss Accola graduated from Southern Illinois University at Edwardsville with a B.S. in nursing, and from St. Louis University with a master's degree in nursing.

She presently is on the faculty of SIUE School of Nursing. Dr. Doroghazi is also a graduate of South High School, University of Illinois and University of Chicago Pritzker School of Medicine.

Currently he is an intern in internal medicine at Massachusetts General Hospital, Boston, Mass. A July 29 wedding to be solemnized at Hope Lutheran Church is being planned by the betrothed couple.

GC Jr. Service donates funds

The Granite City Junior Service Club finalized plans to send donations to two organizations and to sponsor a fund raising project, at the monthly board meeting held last week in the home of Mrs. Janet Warren, 2 Jeanette Drive.

President Mrs. Pam Reed presided, and led a discussion on contributions to be sent to the Crippled Children rock-a-thon and to the special olympics for the handicapped.

Members will hold a garage sale in June with the entire club participating at the home of Miss Flora Mae Lanning, as its next fund raising project.

Requests for eye glasses presented by Mrs. Sue Riess, were approved during the session.

Installation of new officers was held Monday at the Marriott Motel in St. Louis, with Mrs. Beverly King serving as chairman.

The Federation Officers installation is planned for Saturday, April 22, at Charlie's Restaurant, with the Madison Junior Service Club to serve as hostesses, it was noted.

Mrs. Carolyn Thornburg, of the Granite City Club, will be installed as - federation treasurer, the president announced.

SECRETARIES WEEK activities scheduled for the week of April 23-29, being discussed by Mayor Paul Schuler and from left, Becky Batson and Nancy Bezan, members of the Tri-Cities Chapter. In conjunction with the national observance a membership tea is planned for Saturday, April 29, at the Sider Supply Co. Mrs. Lana Randolph is serving as membership chairman this year.

Special events planned for Secretaries Week

From The White House, President Jimmy Carter has issued a Secretaries Week message expressing appreciation and respect for the achievements and abilities of professional secretaries. A copy of the text has just been received by Gail Foley, president, Tri-Cities Chapter of The National Secretaries Association (International).

NSA sponsors Secretaries Week which will be observed April 23-29. The following is the President's verbatim statement: "In both the public and private sectors of our economy, the quality of all professional achievements rests greatly on the abilities of the secretary. Grateful citizens everywhere, therefore, join in fitting tribute to a profession which has such a prominent part in maintaining the efficiency, vitality and strength of American society. This annual observance gives appropriate expression to our thanks and our respect for the secretaries who add so much to our national progress and well-being. I personally welcome the chance to applaud their conscientious and effective work."

A membership drive is being conducted in conjunction with

Secretaries Week by the membership committee of the Tri-Cities Chapter. The National Secretaries Association is a professional organization which has as its objective to elevate the standards of the secretarial profession, through a continuing program of education and professional development.

Regular membership requirements are that a person be actively employed as a secretary at the time of application and have at least two years of secretarial experience. All secretaries interested in NSA and its programs are invited to attend an informal meeting for prospective members to be held at the Sider Supply Co. on 10th and Adams streets, at 2 p.m. on Saturday, April 29. The program will include a slide presentation, "The World of NSA," and a panel discussion. For further information, contact Lana Randolph, CPS, Membership Chairman, at 345-1137.

Mayor Paul Schuler designated Wednesday, April 26, as "Secretaries day" and will ask that all business and industry join in giving due recognition to this group, it was announced.

Navy Mothers elect Mrs. Stella Miller

Mrs. Stella Miller was elected commander of Quad-City Navy Mothers Chapter 850, at the business meeting held last week at the VFW Hall.

Other officers elected to serve for the forthcoming year are Irma Manning, first vice-commander, Verna Spurrier, second vice-commander, Margaret Minzes, adjutant, Jean Teller, finance officer, Mary Lee Busler, Chaplain, Gladys Markovich, flag bearer, Edna Miller, banner bearer, Hazel Jones, first matron of

Hospital, and to Camp Lejeune, N.C.

Installation ceremonies for the new officers will be conducted at 8 p.m. on May 6, at VFW Hall, and will be open to the public, it was announced. The mystery package was won by Mrs. Ethington and other prizes were awarded to Mrs. Teller and Mattie Hedlin. The social meeting is set for April 27.

ADMITTED TO HOSPITAL. Mark Kestler, 18, St. Louis, was admitted at St. Elizabeth Hospital this week for treatment of injuries received in a traffic accident. Kestler was treated for scratches to the left hand, pain in the left arm and a fractured right elbow.

Mrs. Mabel Lehne birthday honoree

The July 12 pinocle club honored Mrs. Mabel Lehne on her birthday at a dinner meeting held last week at Boustie's Restaurant in Collinsville. She was presented with gifts from each one present.

Those excelling in the games and winning prizes during the afternoon affair were Mesdames Kathryn Smithson, Mildred Robinson, Pauline Stephens, Emma Steinberg and Mrs. Lehne.

Also attending were Mrs. Marilyn Brandes a guest, and Mrs. Pauline Canham and Mrs. Ann Giese. Mrs. Lehne will host the next meeting.

Spring projects and programs of Central Christian Women

Mrs. Lena Seitzer gave the study entitled, "Later Year Options and Opportunities" at the April meeting of the Christian Women's Fellowship of Central Christian Church, held last week in the Terrace Room of the church.

Also participating in the program were Peggy Gibbons, Mary Lee Lorton and Velma Gruen.

President Dorothea Rivenburgh opened the meeting with the CWF prayer followed by reports given by Mrs. Lorton, Lois Wolf, Luneta Durbin, Mrs. Seitzer, Myra Parrish, Norma McCormick and Doris Edwards.

Announcements of forthcoming projects and programs included the notation that the CWF blanket box will be presented at the May Fellowship luncheon on May 5, at St. Mary's Church in Madison. Mrs. Parrish has tickets for the luncheon, it was reported.

Blessing boxes will be collected at the June meeting and Mrs. Betty Rush, said 13 women from the local church will attend the retreat at Purdue University June 26-30. Six women attended the area assembly at Watson Terrace Christian Church in St. Louis. Mrs. Jo Stephens explained

the new procedure for Mobile Meals noting the group will be assigned to May 25 delivery. Mrs. Gruen, reading chairman, presented several new books for the members to approve.

Mrs. Madge Hanson said ladies night is scheduled for May 6, and a regional assembly on April 28-30 will be held at the Christian Church in Springfield, Mo. A leadership development conference for CWF women is planned for May 15, at Hamilton Christian Church, from 9:30 a.m. to 2:30 p.m. and the CWF will serve a luncheon for the Nameoki Women's Club on May 17.

The quilters have started a quilt for the Christian Home to be sold at a garage sale at the convention center, the president said.

Mrs. Doris Edwards was named chairman and Mrs. Lorton co-chairman of the annual Strawberry Festival set for June 3, from 12 noon to 6 p.m. on the church grounds. Mrs. Joyce Rutledge is also a co-chairman and the two will serve as director of workshops. There is to be a committee meeting for booth chairmen at 7 at the church tonight. The annual fund raising project will feature several booths including the Strawberry

Patch with Mrs. Velma Gruen in charge, the Country Kitchen with Vanna Berkbigler, Mrs. Durbin, Carmen Toth and Joe Hanson in charge, Ye Olde Bake Shop directed by Blanche Lane, Treasurers and Trivia planned by Jo Stephens.

Crafts by Linda Leggett, Garden Gallery, Marie Gordon, Hall of Frames, Eva Meadows, Chi Iko and CWF booth and tickets will be provided and distributed by Lois Bilbrey and Julie Gates.

Mrs. Madge Hanson closed with the worship and CWF benediction, and refreshments were served by Group Three including Marge Kacera, Ruth Shipley, Ruby Hart, Melodie Lowhead and Myra Parrish.

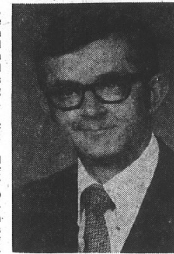

Special services at Free Will Baptist

The Rev. Henry Van Kluyve, director of deputation for the Department of Foreign Missions, Nashville, Tenn., will be the featured speaker in special services at the Free Will Baptist Church, 2216 Charles St. Sunday, April 23, according to the host pastor, the Rev. Wayne McKee.

Rev. McKee added the public is invited to attend the 7 p.m. services.

Rev. Van Kluyve has served the foreign missions program of his denomination since 1967 when he was employed to supervise the stateside activities of the foreign missionaries. He also is charged with enlistment of financial support for missionaries, aids pastors in planning effective missions emphases in their churches, and arranges for departmental representation at appropriate denominational activities, representing the department himself whenever possible.

A native of New Jersey, Rev. Van Kluyve graduated from Free Will Baptist Bible College, Nashville, in 1957. He has pastored in North Carolina,

REV. VAN KLUYVE

Tennessee, Virginia and Georgia.

Rev. Van Kluyve and his family live in Nashville. He is the father of three children.

Free Will Baptist Foreign Missions maintains missionary activities in eight foreign countries with more than 90 missionaries.

1943 GC grads seek classmates

Plans are being completed for a reunion of the 1943 January and June graduating classes of Granite City High School, scheduled for Saturday, June 17, at the Sunset Hills Country Club in Edwardsville.

Reservations are being accepted by Mrs. Delores Yates of the January class and by Mrs. Elva Mae Spiceland and Mrs. Muriel Kratz, members of the June class.

Addresses for members of the June class, which have not been located by the committee at the present time include, Mrs. Robert (Rosalee Boette) Erwin, Gene Bolin, Charlotte Depping, Clinton Duncan, Mrs. Gerald (Ellen Hollowich) Boyd, Maxine Renaud Kendall, William Schaeffer, William Sprengle, Robert Tipton, George Williams and Ruth Whittington.

Anyone knowing the whereabouts of the above named classmates are advised to call Mrs. Spiceland at 877-0002.

Cost of the reunion dinner dance is set at \$12.50 per person or \$25 a couple. Reservations and check for the tickets must be mailed to Mrs. Spiceland no later than June 1, according to the planning committee.

Music for dancing will be provided by the "Nu Tones" it was announced.

Addresses are needed for January graduates, Wilma Bradshaw, Robert Easley, Kenneth Smith, Sam Oliver, Henry Zing, Henry Anderson, Richard Letterman, Robin Lillibridge, Carl Purvins and Larry Robertson.

Anyone with information on the whereabouts of the above persons are to call a committee member at 931-1793.

State Educational Secretaries convene

Eight members of the Madison School District's secretarial staff attended the spring conference of the Illinois Association of Educational Secretaries, which concluded this week at the Sheraton Hotel in Homewood, Ill.

Mary Jane Uddin of Monmouth, Ill., state president, conducted the business conference. Workshops covering self defense, office techniques and self analysis were offered the participants, and a "buzz" session focused upon mutual problems and possible solutions.

Taking part from the Madison School District were Mesdames Dolores Brunici, Janet Shultz, Diane Hollis, Bernadine Weidner and Gladys Watts and Misses Edna Mae McLinn, Loma Lassen and Karen Lassen.

Also at the conference was Catherine Wittervongel of Granite City, secretary of Parkview School and immediate past president of the state association.

Mrs. Wittervongel will be installed as a director of the National Association of Educational Secretaries at the annual convention, scheduled from July 16 to July 22 at Dearborn, Mich.

She also will attend a national-regional meeting April 28-29 at the Breckenridge Motor Inn, St. Louis.

Mrs. Wittervongel was informed this week she will direct the Public Relations Committee for the national association after assuming the directorship in July.

Programs for the new year will be "Something Old -

Something New," a series of lessons prepared by the National Garden Clubs of America. The first lesson presented by Mrs. A. Malotki was "Something Old - The Lord's Land."

"Something New - Man's Land."

The next meeting will be a field trip to the Abraham Lincoln Memorial Gardens, Springfield, Ill., on May 11.

Other members present were Mesdames C. E. Eads, Roy Hornum, Richard Kerch, T. Layloff, William Long, and Leo Schank.

The Southern Illinois University at Edwardsville men's tennis Cougars ran their record to 16-3 on the season as they won an impressive 8-1 victory over the Fighting Illini of the University of Illinois, Tuesday.

The SIUE schedule consists entirely of Division I competition. The victory over Illinois was the fifth over a Big Ten school this season. Defending Division II champion in singles, Juan Farrow, won handily over the Illini's Chuck Meurisse, 6-4, 6-4. Arjun Fernando, a two-time All-American for the Cougars, was forced to come from behind, defeating Tony Chiricosta, 3-6, 6-3, 6-4.

Jeff Edwards, the lone Illini victor, won in split sets over Cougar senior Brian Miller, 6-1, 1-6, 6-4.

Whaley, a freshman, sports the best record on the team with a mark of 14-3.

The Cougars swept all three of the doubles matches, but were hard-pressed in every match. Fernando and Farrow

defeated Meurisse and Edwards by a score of 7-6, 6-0. Rusick and Smith, after losing the first set, and being behind in the second set, 3-2, showed what it means to be an All-American. The doubles team by winning 4-6, 6-4, 6-4 win over Kramer and Dave Weinstein.

The Cougars, coached by Kent DeMars, travel this weekend to Tulsa, Okla., where

6-4, Whaley and Alan Miller polished off the match with a 4-6, 6-4, 6-4 win over Kramer and Dave Weinstein.

The Cougars, coached by Kent DeMars, travel this weekend to Tulsa, Okla., where

at 13 feet 6 inches. McFarlin of Triad was third at 13 feet, 4 1/2 inches.

The Madison girls' meet that was scheduled for yesterday was postponed because of wet grounds. It was to have been a home meet with Waterloo and Collinsville.

Cougars smash Illini, 8-1

defeated Meurisse and Edwards by a score of 7-6, 6-0. Rusick and Smith, after losing the first set, and being behind in the second set, 3-2, showed what it means to be an All-American. The doubles team by winning 4-6, 6-4, 6-4 win over Kramer and Dave Weinstein.

No basis for ending Southwestern Planning group's funds

U.S. Senator Charles H. Percy, Illinois Republican, is performing a helpful service in spotlighting and opposing a federal move to undermine the financial base of the Southwestern Illinois Metropolitan and Regional Planning Commission.

Senator Stevenson and Illinois congressmen could strengthen the SIMARPC defense by making their views known.

Created by the Illinois legislature, the Southwestern Commission for years was the principal planning body for this area.

In more recent times, it has worked in close coordination with the East-West Gateway Coordinating Council, fulfilling a subordinate but essential role. An example is 208 Law water quality planning, a major federal-mandated task carried out for Missouri counties by Gateway and for this part of Illinois by SIMARPC.

Based in Collinsville, Southwestern has performed a large number and diversity of planning studies in a territory that currently consists of Madison, Monroe, St. Clair, Bond, Clinton, Washington and Randolph counties. Its governing board includes key officials from throughout the seven-county jurisdiction.

Noting that the first three counties named also are served by the Gateway Council, a powerful bi-state entity, the U.S. Department of Housing and Urban Development has called attention to what it sees as an "overlap." It wants to cut off federal funds here estimated at \$90,000 to \$100,000 annually.

"State and local officials find the present arrangement very satisfactory," Sen. Percy has commented to HUD in seeking a waiver allowing SIMARPC to continue as before, or a delay in the negative federal decision.

While there has been a high degree of cooperation between the various officials and planners, and there is no "bitch" against Gateway, the geography and political realities of this metropolitan region are such that Illinoisans are better off with the existence of a separate planning group for certain procedures and topics.

No waste or duplication is involved in the issue, because projects undertaken by SIMARPC with Gateway's knowledge and willingness are not also carried out by Gateway.

State officials in our opinion ought to appeal to the best interests of their constituents, not cater to the worst in each citizen. Certainly, they have no right or justification to needlessly create situations fraught with such a broad likelihood of abuse.

The biggest push for OTB — hailed as a "painless revenue increase" for municipalities — is coming from Chicago.

The "painless" aspect seems doubtful. But if Chicago must pursue such a "free lunch," it could easily do so on its own by settling for legislation applying only to cities of 500,000 or 1,000,000-plus population.

Triple vote request given openly

To the Editor:

The comments and news articles from Mr. Joe

Lucero and his camp certainly deserve some comment. Rep.

Lucero claimed he was dumped by the Democratic Party. His

camp made reference that he suspected Senator Sam

Vadalabene of getting Joan Seamen to run against him in

his home town.

They also "had a wary eye on Chouteau Precinct Six"

because Mr. Sam Wolf had the largest vote in the district there, and the committeeman there

was David Wolf, son of Mr. Wolf.

I've been in politics for many years and quite active. I would like to put the facts on the table.

In the 1976 primary for state representative, Sam Wolf and Joe Lucero decided to run as a team. As a committeeman at that time, I urged Mr. Wolf to single-shoot—ask for all three votes—for himself in his Quad-City area.

I did this because I remembered the way Mr. Lucero ran as a team with former Rep. Horace Calvo. Mr. Wolf told me "No, we are a team and I want

to support me and Mr. Lucero."

Well, we the people of the Quad-Cities supported both candidates; however, when the vote count from Edwardsville and Canton township came in, Mr. Lucero buried Sam Wolf more than 5 to 1 in the area.

This is exactly what was done to Mr. Calvo two years prior. That is how we lost our State Rep. Wolf in the last election.

This election, Mr. Wolf stated he was asking for all three votes—publicly, a month prior to the election.

He didn't lead Mr. Lucero on to think there was any teamwork and then on election day find out that there never was a team. Mr. Wolf was honest about it from the very start, so stop your crying, Mr. Lucero.

The Lucero camp also has made a big issue that he is getting Joan Seamen to run so it would take votes away from Lucero in his home town.

What about the fact that, three months prior to the election, Lucero was personally down here in the Quad-Cities

trying to get someone to run against Mr. Wolf to take his votes away? Of course, that's different, isn't it, Mr. Lucero? Then he cast a wary eye on Chouteau Six because Mr. Wolf's son, who is the precinct committeeman there, beat him 6 to 1. But, yet, several Edwardsville Township precincts showed Lucero beating Mr. Wolf 7 to 1.

Where is his wary eye in his home town? Of course, that's different also, isn't it? I say this to the people of the Quad-Cities: When Mr. Wolf lost his bid for election in the 1976 primary, he was a perfect gentleman about it, especially knowing he was beaten by his so-called teammate.

On the other hand, Lucero has got to be one of the poorest losers I've ever seen.

He states that if he contesting this election doesn't get him in office, he is considering running as an independent in November. And he calls himself a Democrat!

Just remember, Mr. Lucero, that you merely raped what you had won.

\$1,469,000 bid for tests at dam-locks

The J. S. Alberici Construction Company of St. Louis is the apparent low bidder for St. Louis District U. S. Army Corps of Engineers testing and investigation contract at Locks and Dam No. 25, Alton.

The Alberici firm was the lowest of four bidders at \$1,469,000 for the approximate eight-month contract, a review of bids showed Tuesday.

The work calls for designing, furnishing, installing and operating a dewatering system. It also includes placing equipment and instrumentation in various wells to control and monitor seepage, water table

elevations and surface water in the canal areas around the locks and dam.

The district engineer staff said the Corps is conducting the work to determine if it is feasible — from engineering and economic viewpoints — to rehabilitate the existing dam without dewatering it first.

The techniques being investigated have never been used before on a structure of this size and scope, it was noted.

"The testing program has been carefully planned to preclude any possible threat to the integrity of the 50-year-old facility at Alton," a spokesman said.

Hearing set on motion to move murder trial

Chief Circuit Judge Victor J. Mosele will hear Tuesday Monday to move the murder trial of Dennis Kirksey out of Madison County, due to extensive news coverage of the case and because of orders that Kirksey be shackled in the courtroom.

Kirksey's lawyers contend he cannot receive a fair trial in Madison County, because the jurors will be prejudiced by news coverage and by Kirksey's restraints in the courtroom.

Circuit Judge Joseph Barr, who had been presiding during Kirksey's preliminary motions, disqualified himself Monday from the case after Kirksey's attorneys contended Barr had made prejudicial statements to reporters about the case.

Mosele then assigned himself to the case and granted continuance until Monday for more motions.

Kirksey, 25, and Raymond C. Kirksey, 34, both of St. Louis, are charged with causing the death of Mary Ann Cress of Godfrey Dec. 29 in an auto accident near Alton. The two allegedly were in a stolen car in a high-speed police chase when their car struck Mrs. Cress' auto in an intersection.

Milenty pleaded guilty last week to murder in a negotiated settlement for a 20 to 30-year prison term. Madison County State's Attorney Nicholas G. Byron said he is studying whether the death sentence can be invoked if Kirksey is found guilty of Mrs. Cress' murder.

Choir festival by youths on Sunday

Reorganized Church of Jesus Christ of Latter Day Saints, St. Louis Stake, youths are presenting a youth choir festival at 6 p.m. Sunday. The chorus will be composed of 55 children and six instrumentalists under the direction of Mrs. Glenda McClain. Choral accompanist will be Miss Cathy Alley.

Selections to be performed will include hymns of springtime, Easter, Prayer and Praise. Eight congregations of the RLDS St. Louis Stake of Zion, including the local group, will send vocalists.

Location of the festival will be the Boj Nor RLDS Church, 3324 Natural Bridge.

WALGREEN SALES AND EARNINGS SET RECORDS
The Walgreen Co. had record sales and profits for both the second quarter of fiscal 1979 and for the six months (October 1977-March 1978). Chairman Charles R. Walgreen III and President R. L. Schmitt said second-quarter sales reached \$73,208,000, up 9.2 percent over the year-ago period, and six-month sales totaled \$679,437,000, up 9.4 percent over the first half of the 1976-77 fiscal year.

Quarter earnings reached a record \$7,864,000, a 20.1 percent advance over the comparable 1977 period. The gain brought first-half profits to a record \$9,509,000, or 23.4 percent ahead of the previous mid-year record.

RECOVER STOLEN CAR
The auto of Isabelle Moore, East St. Louis, stolen from 20th Street and Grand Avenue Wednesday, was recovered by Seventh District St. Louis police, the owner was told Thursday. The car had been buried.

MAINTENANCE MANAGER
Andrew J. Jurchenko Sr. has been named manager of maintenance for the Bi-State Development Agency, it was announced Wednesday by State Executive Director Barry N. Locke.

No one was hurt during the weekend when a deputy sheriff's private auto rolled down an incline inside a County Jail garage door. Mrs. Patricia Lamb, wife of Deputy Sheriff Randall Lamb, was inside the building and her son, four, and a two-year-old child were in the car. A partly-engaged parking lever was blamed.

The U.S. Energy Department has drawn up a standby gasoline rationing plan.

Federal credit unions will be authorized starting May 8 to offer 30-year home mortgage loans.

Lar "America First" Daly, 66, who lost in the March Republican primary to U.S. Senator Charles H. Percy, died Monday at an Evergreen Park hospital near Chicago. A perennial candidate, he first sought public office in 1938.

STUDENT DANCE CONCERT
The SIUE department of theater and dance will present its annual student dance concert, "Oasis 78," April 27 and 28 at 8:15 p.m. in the Communications Building theater. It will be an evening of dance works choreographed by students currently enrolled in the department.

GNP, OIL IMPORTS DOWN
The gross national product declined at an 0.6 percent annual rate in the first 1978 quarter, the first such drop since 1973. Factors were the severe winter and the long coal strike. Meanwhile, the first quarter's annual inflation rate rose from 5.9 to 7.1 percent, but oil imports during the three months decreased 14 percent.

'Y' increases about swim time

In response to increased membership and program participation, the Tri-City Area YMCA has increased its swim times for adults. Here is a list of available pool hours including family and youth swim times.

Follows women's exercise class.

Members are entitled to attend the above swim times at no charge, and non-members may attend on a day pass basis. Membership information is available by contacting the YMCA at 876-7200.

The swim times complement the YMCA's "Learn to Swim" program which includes instruction for all ages, six months to senior citizens.

News notes

Chief Circuit Judge Victor J. Mosele, as expected, on Tuesday ordered a vote recout of the four Democratic state representative candidates' primary tallies March 21. Representatives of the four and a member of the Madison County clerk's staff next will tabulate counts of voting machines stored in Marine.

The Bi-State Development Agency board on Wednesday approved a \$69,803 contract with ATE Management and Service Co., Cincinnati, to study Bi-State bus routes in Illinois.

Governor James R. Thompson said Wednesday he and his wife earned \$70,293 last year and paid \$22,274 in income taxes, including \$30,567 federal taxes. Their gross income was \$75,497.

Director E. Eric Jones of the State Emergency Services and Disaster Agency has been charged the state nearly \$1,000 per month in expenses. A factor currently being studied in his travel costs is that—instead of Springfield—he designated his headquarters as Chicago and then as Marion.

The U.S. Supreme Court voted 6-3 Monday to let stand an order that the United Steelworkers pay \$500,000 to Edward Sadowski's lawyers for legal work done in trying to overturn a district director election in the eventuality of Sadowski later ran and lost to Lloyd McBride for the union's national presidency.

Kenny Brooks of North was the winner in the high hurdles in 17:35. Sharp of North was the winner in the 100-yard dash. North's Mike Baker was the 880-yard and mile-run winner. He ran the first event in 1:13.9 and the mile in 4:54.6.

The triple jump was won by Hibberly of Cahokia and the long jump by Cahokia's Nunn. The triple jump winning distance was 39 feet, 5 1/2 inches and the long jump 20 feet.

North's John Kafalas won the pole vault with a leap of 11 feet six inches.

Ports' data center opens

The many industries and shippers relying on the Mississippi River and their livelihood have gained a new operating resource in a port data center newly established by the Bi-State Development Agency, Bi-State Executive Director Barry N. Locke said today.

The data center, designed to provide a centralized clearing house for port-related information to encourage greater use of the waterways, is located in Bi-State's executive office at 818 Olive St., Suite 600, St. Louis. Bi-State has served as port regional coordinator since 1975.

Fire destroys stolen car

A 1974 Plymouth Duster found burning near A-1 Auto Body Shop, East 23rd Street and Bromley Avenue, at 1:13 a.m. Wednesday, had been stolen earlier from N.L. Industries, 1617 Street and Cleveland Boulevard.

The auto, belonging to Timothy J. Klein of St. Louis, an N.L. Industries employee, was engulfed in flames, the gas tank having blown apart, when firefighters arrived at the scene.

Klein reported the car was missing at 12:30 p.m. Wednesday. The vehicle had been left at the local plant when the engine failed to start at 6:15 p.m. Tuesday, he said.

Fire department officials said arson is suspected in the blaze. Police noted a burned gasoline can in the rear seat of the vehicle when they arrived at the scene.

The auto was totally destroyed. Loss was estimated at \$2,000.

STUDY SKILLS TO BE TOPIC OF WORKSHOP
The SIUE General Studies Division (692-2242) will offer a one-day workshop Friday, April 20, for educators interested in helping students improve their study skills. It will last from 9 a.m. until 3 p.m. on the second floor of the University Center in the area where the School of Business was formerly located. Participants will learn how to establish study skills groups at their own schools. Registration for the workshop is \$8.50, which includes lunch.

O'NEAL HERE SUNDAY
Lieutenant Governor Dave O'Neal will be among the guests at a fund-raising reception for State Representative Everett G. Steele from 3 to 5 p.m. Sunday at the Edwardsville Holiday Inn on Sunset Hill. Tickets will be available at the door.

ACCIDENT PREVENTION AWARD recipients are honored. In the front row, left to right, are Harold Barton, Don Barton Trucking; Lamar Moore, Ed Moore Construction Co.; Granite City; Gary Dorley, Smiley Homes; Lt. Gov. Dave O'Neal; Mrs. Mary C. Keeley, Cardinal Construction Co.; Don Manson, Haydon Construction Co.; Jack Haydon, Reese Construction Co.; Joseph Giglio, FBI special agent; and Tim

Docter, Maclair Asphalt, chairman, Builders Safety Awards Committee. In the back row, from the left, are Lou Akers, Cam Construction; Gary Davis, Gateway Drywall & Decorating Co.; Bruce Rimby, Calhoun County Contracting (behind Dorley); Ed Taylor, Edward Taylor Construction Co.; Jerry Smith, JRJ Excavating Co.; Tom Reay, The Rust Co.; Dan Stukenberg, The Kilian Corp.; and Harry Niemann, Lühr Bros., Inc.

Builders honor Moore, Davis on safety records

Lamar Moore, Ed Moore Construction Co., and Gary Davis, Gateway Drywall and Decorating Co., were presented the Accident Prevention Award by the Southern Illinois Builders Association at the sixth annual spring Safety Seminar and Awards Program, held this month at Fairview Heights.

Both firms were said to have had an outstanding record in accident prevention as measured by OSHA (Occupational Safety and Health Administration) recordkeeping requirements.

Their records were called far superior to the majority of construction firms throughout the United States.

A recent article published in the Monthly Labor Review listed the average incident rate as 18.3 for construction. Ed Moore Construction had an incident rate of 0 and Gateway Drywall and Decorating Co. also had an incident rate of 0.

Illinois Lt. Gov. Dave O'Neal was guest speaker for the program. He told of a need for "getting business back into business." The address by O'Neal highlighted a program of presentations and awards.

Also featured was an address by Special Agent Joseph Giglio, Federal Bureau of Investigation, on how contractors can reduce losses with a crime prevention program listed in their safety practices and total loss control efforts.

Tim Docter, Maclair Asphalt, Collinsville, chairman of the SIBA Safety Awards Committee, said the purpose of the awards are to provide meaningful recognition to construction firms which have demonstrated outstanding accident prevention achievement, and to serve as a medium for gathering employee injury and illness statistics which can be used as a guide in conducting future safety training programs and possibly in SIBA legislative efforts.

Docter pointed out that all contractor members of SIBA are eligible to participate. Member firms must send copies of their OSHA form 200, along with manhours worked, to the association office.

O'Neal told the 150 contractors and aides present that in order to maintain a balanced budget, the state is increasing its efforts to put more people to work and reduce the welfare rolls.

He said that the state, through its promotional efforts, has created 3,700 new jobs in the private sector.

The two-year road program that is proposed has some of the largest projects in Southern Illinois including Interstate 270, which will result in 1,800 jobs — he added.

Giglio related that each year over \$100 million is lost in theft and vandalism of construction material and equipment.

One of the most difficult problems after recovery of stolen articles, he said, is the identification of the proper owner.

Giglio urged contractors to mark all equipment, no matter how large or small, with the driver license number of the owner of the firm.

Name of the company and color codes can be placed in a conspicuous location to make it more difficult for the would-be criminal to commit the crime, he noted.

Giglio strongly recommended that contractors participate in the SIBA crime prevention program, which offers a \$5,000 reward for information leading to the arrest and indictment of someone committing acts of theft or vandalism on jobsite, offices or equipment yards of SIBA member firms.

Giglio also informed contractors present of the National Crime Information Center (NCIC), the nationwide computer system designed to assist in recovering stolen property.

Police officers can enter serial numbers of stolen goods that meet one of the following criteria: single items worth \$150 or more (except no minimum needed on office equipment); multiple items totaling \$5,000 or more; or cases where the officer feels there is a probability of interstate movement; or where the seriousness of the crime indicates that a notation entry should be made for investigative purposes.

GC youth in Germany says students there more serious, aware

By MICK STRANGE
Press-Record Staff Writer

University students in Germany tend to be more serious about their education and far more aware of world and internal politics than college students here, according to Keith Lucas.

Lucas, 20, is the son of Stan Lucas, 3813 Village Lane, and is spending a year studying in Germany. He is a junior at Washington University.

Lucas is majoring in modern languages and intends to enter the field of law. He is going to school on an Army ROTC scholarship.

Lucas said he has been studying German since he has been in the seventh grade. He studied German under Earl Koller at Granite City High School North where he graduated in 1975.

"In Germany, students at all levels and particularly the university level are taught not to just accept facts without question. Here, you are taught to learn facts and dates and never to question the teacher or the text; this is just not the case in German schools," Lucas said.

"It seems we are just programmed here to accept as gospel what the teacher and the book says," Lucas emphasized. Lucas is studying at the University of Tübingen in Tübingen, Germany, which is about 15 miles south of Stuttgart.

The university has 17,000 students with 1,500 foreign students.

"The university was 500 years old in September and is one of the oldest and most famous in Europe. The school's major areas are political science, biology and theology. It is the home of the world famous Max Planck Institute in biology," Lucas said.

"There is a lot of Communist literature at the university, but the Communists are not really strong elsewhere. Former Nazi party members are in control of all three political parties, the Christian Democrats, Social Democrats and Free Democrats. These are persons who were in the lesser jobs during World War II as they were rather young when Hitler was in power," Lucas noted.

Before going to Germany, Lucas said he took a special four-week course in German so that he would be better able to study.

At the University of Tübingen, Lucas is studying European history, the political climate of western Europe after World War II, a Swedish language course and American history.

"It is very interesting studying American history in a German university. Things are presented from a different viewpoint. Studying Swedish in German and then in my own mind translating what I am learning into English also is a challenge," Lucas said.

Passover begins at sundown Friday

The Jewish festival of freedom from the Passover will begin at sundown Friday and last for seven days. Passover relates to the flight from Egypt.

The holiday, because of the eating of unleavened bread (matzo), frequently is referred to as the Feast of the Unleavened Bread.

The reason for the unleavened bread was that the Jewish people had to flee so fast they had no time to prepare for the trip.

The Seder, a religious ceremony known as the home after a symbolic meal is the most important feature of the Passover.

The Seder is held the first night, as the father relates the story of the Jewish deliverance. Passover takes its name from the sparing of the eldest sons of the Hebrews on the evening before their flight from Egypt as related in Exodus 12:3-24.

A destroying angel is said to

have passed over the Israelite houses, whose doors had been marked with the blood of a lamb.

Lakeview Christian Academy, 3910 Highway 111, announced this week the academic leaders for the third quarter of the school year.

Attaining the highest averages were Stacie Patterson, 1-4 grades, Vince Adams, 5-4 grades, and Pam Beal, 9-12 grades.

Completing the most pages (largest amount of work) were Laurie Gray and Gert Jean Cook, (1-4), Tim Adams (5-8) and Darlene Stewart, (9-12), according to the school principal, the Rev. John Lamb.

Acquisition of printing firm is proposed

Medina, Ohio—Gow Printing Company will be merged into a subsidiary of Post Corporation, if an agreement reached in principle by officers of the two firms is approved by Gow's shareholders.

The agreement provides that Gow's shareholders will receive \$11 in cash per share, after Gow is merged into a new Ohio subsidiary to be formed by Post. At this price, Gow printing is valued at approximately \$3.6 million.

Neil R. Gow, president of Gow Printing, said the merger is subject to the execution of definitive agreements and approval of Gow's shareholders at a special meeting to be called for that purpose.

Gow is a publicly-held commercial printing company which also publishes weekly newspapers in Wadsworth, Strongsville and Brunswick, Ohio, with a total circulation of about 20,000. Post is a publicly-held newspaper and broadcast firm, headquartered in Appleton, Wis., with operations in nine states.

Post said it plans to print its 10 weekly Sun newspapers, which serve the suburbs of Cleveland, at Gow's Medina plant. Sun Newspapers' total circulation is over 200,000.

Gow's revenues for its fiscal year ended June 30, 1977, totaled \$8.6 million. Post's revenues for its fiscal year ended Dec. 31, 1977, were \$40.9 million.

South student 1st in Optimist oratory contest

Brook Hill of Granite City High School South was awarded first place in the Optimist International Zone Oratorical Contest, boys' division, and Connie Siebert of Granite City High School North was awarded second place in the girls' division.

The contest was held at the Lewis and Clark Restaurant, East Alton. Five girls and four boys representing 10 clubs in the zone participated.

First-place winners will participate in the district contest, comprising the state of Illinois, on May 20 at Rock Falls, Ill.

Woman beaten

Mrs. Susan Boyer, 25, of 111 Wilson Park Lane, was admitted to St. Elizabeth Hospital after being beaten during a disturbance at her home this week.

Police responded to a disturbance call at that address and a Reged. James H. Tague, 25, of 2459 State St., acted abusive toward officers and used profanity. He was arrested and charged with disorderly conduct.

Mrs. Boyer was found to have bruises to her right wrist, left arm and lower lip and was taken by friends to the hospital.

Church of God dedication ceremonies set Sunday

By DONNA HARTWICK
Press-Record Staff Writer

The newly-constructed modern design building of the Church of God, 1207 West Pontoon Road, will be dedicated formally in ceremonies at 2:30 p.m. Sunday, April 23.

Currently serving as pastor is the Rev. O. J. Cloninger, who has been instrumental in the building project which began in 1976 when the congregation purchased five acres on West Pontoon Road to build larger church facilities and a parsonage.

Special services began at 7:30 p.m. Wednesday, April 19, in conjunction with the dedication observance. Featured speakers throughout the week will be former pastors.

The Rev. Robert Egge, former pastor, conducted the opening services at 7:30 p.m. Wednesday. He currently is serving a church in Pickens, S.C.

The Rev. G. E. Mills of Decatur is to be guest speaker at 7:30 p.m. today, and the Rev. H. B. Thompson, state superintendent of the Church of God of Illinois, is scheduled to speak at 7:30 p.m. on Friday and Saturday.

Keynote speaker at Sunday services scheduled for 2:30 in the afternoon and at 6:30 p.m., will be the Rev. Dr. Floyd Timmerman, former state overseer of Illinois, now general secretary-treasurer of Church of God. He also is a member of the executive committee of the general church.

Favorite gospel music will be provided by the Youth Choir under the direction of Mrs. Georgia Hindman. Musical

selections will be played by the church band and church organ. Tina Parchman, the host pastor added.

The local church is part of the Church of God organization with headquarters in Cleveland, Tenn. The congregation held its first services in a tent revival in 1929.

After the initial meetings, the congregation moved to a store building in West Granite and later to a store located on State Street to conduct worship services.

A concrete block building was erected at 20th and Russell streets by the church members as the first house of worship. The congregation observed there remained there until 1961 when it became necessary to seek larger quarters.

The next church was built on the corner of Orville Avenue and Vine Boulevard, and as the membership grew, church officers again decided to construct a larger church.

They sold the property and started the present church in March 1977, moving into the new facility in November 1977, although the work had not been completed. Church school classes and services were held at the new location while the finishing work was completed.

The church has a seating capacity for 475 persons, including a balcony which will accommodate an additional 100 persons.

During the construction project a new brick parsonage was built adjacent to the parking area, to complement the brick exterior of the church. The four-bedroom house also has a living and dining room,

family room and large kitchen. Assisting Rev. Cloninger with his pastoral duties are Gary Beal who serves as superintendent of the Sunday school, and Lynn Cloninger, a son of the minister, Christian education director.

During the building interim the church membership workshop for one year at the Nameeki School.

This is the first phase of an overall plan to eventually build a school for students from the first grade through high school, Rev. Cloninger announced.

The planned Christian Academy will be the first such school of the Church of God in this area and will include a youth building, gymnasium and classrooms.

When the school opens the first classes probably will be held in the existing church classrooms, and as the enrollment increases a school building will be built on the five-acre tract of land.

Rev. Cloninger and his wife, Dorothy, are the parents of two sons and a daughter. They also have five grandsons.

The Rev. Edward Cloninger pastors a Church of God in Centralia, and Lynn Cloninger, associated with his father at the local church, also is an employee of Bell Telephone Co., St. Louis.

Their daughter, Mrs. Brenda Hemingway, lives in Wichita, Kan.

MR. AND MRS. ROBERT W. SCHMIDT. They were united in marriage at St. John Lutheran Church in a late afternoon ceremony. Formerly Miss Debra Ann Davenport, the bride is a daughter of Mr. and Mrs. David Davenport, 3212 Edgewood Ave.

Debra Davenport marries Robert Warren Schmidt

St. John Lutheran Church was the scene of the wedding on March 25, of Miss Debra Ann Davenport, a daughter of Mr. and Mrs. David Davenport, 3212 Edgewood Ave., and Robert Warren Schmidt of St. Louis.

Parents of the groom are Mr. and Mrs. Arthur R. Schmidt, 68 Frederick Lane, St. Louis.

Arrangements of white Easter lilies adorned the altar for the 4 o'clock afternoon double ring ceremony performed by the Rev. Samuel Boda.

A program of selected wedding music was provided by Ellen Boda, organist, and Mrs. Pam Sidenor, soloist.

Given in marriage by her father, the bride chose a full length white A-line georgette gown fashioned with a high neckline, Empire bodice and long sleeves with a cap effect, accented with Chantilly lace, etched with seed pearls.

Matching lace motifs enhanced the long skirt and chapel train.

She wore a Juliet headpiece of Chantilly lace and pearls to hide in place a veil of bridal illusion.

Her bouquet was a cascade of white roses, carnations and baby's breath.

Maid of honor, Miss Sophie Kaczorek and bridesmaids Miss Colleen Fitzgerald and Miss Lane Schmidt, a sister of the groom, wore identical pastel blue dresses, trimmed in a Navy blue velvet.

Each attendant held a bouquet of blue carnations and blue daisy pom poms.

The groom selected Erwin Kink, as best man, Joe Campbell and Alan Davenport, a brother of the bride, served as groomsmen and ushers.

Guests were received by the newly married couple at a reception given at the Polish Hall in Madison. The rehearsal dinner was served at the Clayton Club, Clayton, Mo.

A 1976 graduate of St. Louis College of Pharmacy, the bride holds a B.S. degree in pharmacy. Her husband graduated in 1977, with honors, from the University of Missouri, Columbia, where he earned a B.S. degree in electrical engineering.

The newly married Mr. and Mrs. Schmidt are residing in St. Louis, Mo.

Drusilla Andrews Chapter elects Mrs. Emma Schoen

The Drusilla Andrews Chapter of the Daughters of American Revolution met over the weekend at Charlie's Restaurant with 14 members and one guest present.

Mrs. Janet Wilson, regent, conducted the opening ceremonies with Mrs. Ruth McCarty reading the President General's message. Miss Ella Ray Smith presented national defense topics dealing with free enterprise, Soviet threats in space, high expenses incurred by America at the United Nations, and new regulations being applied to labels on food and drink.

Elected to new two-year terms of office were Mrs. Emma Schoen, regent; Mrs. McCarty, vice-regent; Mrs. Lucille Butler, registrar; Miss Nette Hart, historian; and Mrs. Williams, Florence Simpson, Helen Gantcheff, Eva Meier, Reva Turner, Mamie Frohnd, Margaret Engleke, and Margaret Bell.

Mrs. Ropac is club hostess

Mrs. Marian Ropac entertained the Mother's Study Club, last week in her home, with a program on poetry as the evening topic.

Mrs. Lorraine Palatin read "The Rose" by Mrs. Marie Plantz recited "Before It's Too Late" and Mrs. Dorothy Bridick presented "Thank God" as her recitation.

After refreshments were served games were played and prizes awarded to Mrs. Plantz, Mrs. Bridick and Mrs. Peggy Cronovich.

Others attending were Mesdames Helen Tuncoff, Dolores Harizal, Frances Lutz, Vivian Rowden and guests Mildred Shifter and Mrs. Rose Ratkovich of Scottsdale, Ariz.

Mrs. Padgett said the Restoration Society is attempting to protect our heritage. One of its money-making projects for several years has been the house tours in the area. Profits from last

Oppose tests of students' competency

In testimony before the Joint Subcommittee of the Illinois Senate Committee on Higher Education and Elementary and Secondary Education last week, lobbyists for the Illinois Education Association urged legislators to "evade all efforts to implement a statewide competency-based testing program in Illinois public schools."

IEA President Mel Smith said the lobbyists discussed what he termed "the myth of competency-based testing," and detailed possible pitfalls of such a program.

"A statewide program would cost anywhere from \$12 to \$25 million in funds that would have to be bled from already hard-pressed school districts," Smith contended.

"In addition, surveys of locales and states utilizing such testing show that new curricula result, because the schools end up teaching to the tests rather than to the needs of the students."

"This only increases developmental costs."

"Competency-based testing would only duplicate what many local school districts are already doing. Duplication is the byword of costly bureaucracy," he said. "The proposed testing that pending legislation would 'etch in stone' would wrench testing from local option and cause local boards and teachers severe problems."

"Tests don't necessarily do what they say they will do. What competencies will be required?" he asked.

"How high will the minimums be set? What will happen to those who fail? Will they be recanted and labeled as educational Edecks?"

"The testing proposal has some merit," Smith said, "but the system of implementation must be honed and re-honed before we will even consider endorsement. A quick answer on educational testing is no answer."

"This is one of those rare times when school boards, the State Board of Education, the IEA and other interested parties are presenting the same urgent message."

Steering fault - accident cause

The auto of Ronald Inman, 22, of 1436 Second St., Madison, experienced steering problems on Madison Avenue at the curve north of 15th Street at 6:40 p.m. Thursday, went out of control and struck a utility pole.

Inman said the auto had been involved in an earlier accident, which may have damaged the steering. He said the steering mechanism locked in one position during the later accident and then broke when he tried to turn the wheel.

Jean Tamm, 24, of 1325 Klein St., Venice, a passenger in the auto, was taken by Granite City ambulance to St. Elizabeth Hospital where she was admitted with a fracture to her left ankle and an injury to her left index finger.

The driver suffered minor injuries which did not require hospital treatment.

Legislation for funds to plan physical education structure

President Kenneth A. Shaw of Southern Illinois University at Edwardsville told the SIUE board Thursday that two bills have been introduced in the Illinois General Assembly to provide appropriate funds for capital projects of special importance to the SIUE campus.

Senate Bill 1506, introduced by State Senator Sam M. Vadalabene of Edwardsville, would appropriate \$641,000 for planning and preparation of construction documents for a building for health education, physical education and recreation programs at the local campus.

State Senator Kenneth Hall of East St. Louis, with co-

sponsorship by Sen. Vadalabene, has introduced Senate Bill 1493, which would appropriate \$315,000 from the SIUE income fund to complete acquisition of the East St. Louis Center. No additional general revenue funds would be involved in the acquisition.

The president said special legislation is sought for approval of planning funds for the health and physical education building because the project was not high enough on the Illinois Board of Higher Education's (IBHE) capital project priority list to be included in the \$14.3 million which Gov. James R. Thompson has said would be made available

for higher education capital projects this year.

The multi-purpose building for SIUE is at the \$37.9-million cumulative total level on the IBHE list. The president said this is despite the fact that SIUE is the only major state institution of higher learning in Illinois without a permanent physical education facility.

Pres. Shaw said authority to complete the purchase of the East St. Louis Center is sought because renovation work on the building cannot be continued until the state owns the building.

SIUE is buying the building on a lease-purchase arrangement with the owner, American Geriatrics Enterprises of St. Louis. The university still owes \$315,000 before it can receive title to the structure.

In January, the Illinois Bureau of the Budget notified the university that additional funds for renovation of the East St. Louis Center cannot be released until the state owns the building.

Convenient sites to get vehicle stickers

Granite City residents have until May 15 to obtain their automobile tax stickers at the cost of \$3 each. After that date, the stickers will go up in price to \$5.50.

The auto stickers are available to all motorists, as of this week, in the city clerk's office at the City Hall in Granite City during regular office hours.

As a convenience to senior residents only, the vehicle tax stickers will be available for purchase at the new Granite City Township Building, 2660 Delmar Ave., from 8 a.m. until 4:30 p.m. each weekday.

Senior citizens may purchase a sticker for one vehicle only at a fee of \$1 each through May 15 by showing their driver's license and vehicle registration card.

Seniors needing more than one sticker must pay the regular \$3 fee for additional stickers.

Also designed to help motorists avoid standing in line, four special locations for sticker sales have been arranged this year on specific dates, City Clerk Robert Stevens said.

On Friday, April 28, and Friday, May 5, stickers will be sold at the Colonial Bank of Granite City, 2400 Pontoon Road, and American Heritage Bank of Granite City, Nameoki and Peeling roads.

Hours of the sticker sale at Colonial Bank are from 9 a.m. until 1 p.m. and from 4 p.m. until 7 p.m. on both dates.

At American Heritage Bank, the sale of stickers will be from 9 a.m. to 3 p.m. and from 3:45 p.m. until 7 p.m. on both dates.

Two other locations where auto tax stickers may be obtained on specific dates are

Saturday, April 28, from 9 a.m. to 2 p.m. at Tri-City Grocery store, Bellemore Village Shopping Center, and Saturday, May 6, also from 9 a.m. to 2 p.m. at Cohen's Foods, 2301 Illinois Ave.

Truck stickers, ranging from \$8 to \$25, may be secured at the lower cost before the May 15 deadline. Owners also are required to show registration cards at the time of purchase. Truck stickers will increase \$2.50 per vehicle after May 15. All stickers will continue to be sold after May 15, but at the higher cost, Stevens said.

Two hurt in JB bridge mishap

A Dupo woman and a passenger in her car were injured seriously and traffic on the Missouri side of the Jefferson Barracks bridge was held up for two and a half hours Thursday afternoon due to a collision between a car and a tractor-trailer.

Barbara Thomas, 24, of Dupo and Ernest Robinson, 34, also of Dupo were taken to St. Anthony's Medical Center where both were reported in serious condition.

The Thomas car collided with a truck driven by Harold Harper, 22, of Granite City, who was uninjured. Harper's truck was loaded with lumber which was scattered about the scene, damaging two cars.

Nominations for consumer awards

The Better Business Bureau of Eastern Missouri and Southern Illinois is looking for nominations from area residents that single out businesses which have provided extraordinary service to customers.

Outstanding businesses will receive special recognition as part of the 1978 consumer awards program. Mrs. Leonor Sullivan, former congresswoman, and H. A. Ericson, director of Monsanto corporate advertising and promotion, will assist in the program.

The idea behind the awards is to encourage good business practices and recognize businesses which exemplify such a policy. Nominations can be submitted by any consumer, giving credit to any business or organization that has performed an extraordinary service to customers. Nominations may be sent to: Better Business Bureau, 915 Olive St., St. Louis 63101.

An independent panel of judges will select the winning entries.

W. Illinois U. will honor Dr. Sekora

Dr. John Sekora, associate professor of English, will be honored April 27 at Macomb. A former Madisonian, he has been selected as the 1978 faculty lecturer, an award given annually to the outstanding faculty member at Western Illinois University there.

"It is important that we recognize outstanding contributions to the university in academic and cultural endeavors," said President Leslie F. Malpass in announcing his endorsement of the faculty selection committee's choice. Sekora will present the annual scholarly address at 8 p.m. Thursday, April 27, in Stipes Hall Theater.

His topic will be, "Why Must We Fall? to be in Love: Luxury and Devolution, Past and Present." The lecture is based on his recent book, "Luxury: The Concept in Western Thought, Eden to Smollett," published by John Hopkins University Press. Sekora has been a member of the WIU English department faculty since 1970. During that time, he has designed and taught 10 new courses.

He assisted in development and promotion of the Afro-American Studies Program at WIU and is chairman of the Distinguished Lecture Series Committee.

He has been selected to serve as the next chairman of the English department.

He earned his undergraduate degree at Bradley University in 1961 and his master's and Ph.D. degrees at Princeton University. He was a Fulbright Fellow at Birkbeck College, University of London and the Institute of Race Relations, London.

He is a former member of the Press-Record news staff. Dr. Sekora has been a visiting lecturer in both English and Afro-American Studies at Northwestern University and the University of Illinois-Chicago Circle.

Previous recipients of the Faculty Lecturer Award have been Dr. Victor Hicken ('69), history; Dr. John R. C. Morton ('70), psychology; Nicholas C. Pano ('77), history; Dr. Maurice G. Kellogg ('72), science education in the department of elementary education.

Dr. Reece A. Jones ('73), geography; Dr. William L. Burton ('74), history; Dr. Paul M. Nollen ('75), biological sciences; Dr. Frank P. Lupton ('76), recreation and park administration; and Dr. Maurice Myers ('77), biological sciences.

The selection committee for the award included Chairman Kellogg; Dr. Hicken; and Dr. Dolores Hinds, Dr. Yerner Johnson, Dr. Bryant Keeling, Sam Parker, Dr. Brent Stidd and Dr. David Quinn.

Trucking industry growth

The trucking industry—fast-growing in the Quad-City area and Madison County—settled into a stable growth pattern nationally in 1977 after a rapid post-recession recovery the previous year.

Large motor carriers increased their net income after taxes last year by 25.2 percent, the American Trucking Associations reported today. Although total operating expenses grew by 17.7 percent during the same period, the increased costs did not overtake a 17.8 percent rise in operating revenues.

The revitalization of American business in general brought trucking 8.7 percent more cargo last year and it needed to be hauled 10.1 percent further.

"The trucking industry is glad to see its customers doing better," said ATA board Chairman William T. Cassels. "Motor carriers, strengthened by the discipline of government regulation, will continue to stand ready to serve the people who need us."

"The stability achieved by the industry provides a foundation that cannot be equaled by the uncertainty of cutthroat competition, exemplified by the anxious atmosphere in which exempt or unregulated carriers live and—regularly—die."

The ATA analysis is based on quarterly reports filed with the Interstate Commerce Commission by 1,962 Class I and II motor carriers—those

generating \$500,000 or more in annual revenues.

Net income for these companies reached \$665.3 million from gross freight revenues of \$22 billion.

United Parcel Services, excluded from most summary tabulations because of differences between their operations and those of typical interstate freight carriers, look an additional \$2.3 billion in revenues.

Not included in this analysis were 500 other Class I and II carriers who filed incomplete reports. A part of this group—generally those upgraded from Class III status—had no 1976 data for a comparison. The 1977 revenues of these 500 excluded carriers was \$1.9 billion.

No estimate was made for the results of late or non-filing Class I and II carriers, nor that of the more than 13,000 Class III companies, which are not required to report.

Overall, 1,701 of the 1,962 reporting carriers said they made revenue gains during the year. The remainder held their ground or experienced decreases.

The industry operating ratio, a measure of profitability derived by dividing gross operating expenses by operating revenues, held at 94.85—virtually unchanged from 1976.

Of the three major types of carriers—general freight, household movers, and specialized—only the general freight carriers, who account for 60 percent of industry revenues, had revenue gains larger than cost increases.

With a 9.5 percent jump in cargo, these companies were able to generate 18.1 percent greater revenues, against 10.9 percent growth in expenses.

All specialized motor carriers did an expanded business in 1977—they averaged 8.3 percent more cargo—but their expenses grew 18.0 percent, or 0.1 percent more than operating revenues.

Nevertheless, money from non-operational sources allowed companies in this category to improve their final net income 21.7 percent.

The 1977 figures for specialized carriers are: 56 heavy machinery carriers, \$441,754,000 gross freight revenue, \$15,159,000 net income, up 35.13 percent in net income.

Liquid petroleum's 142 carriers, \$1,332,439,000 freight revenue, \$35,418,000 net income, up 34.64 percent; 102 refrigerated products carriers, \$855,720,000 and \$23,092,000, up 9.35 percent.

Agricultural commodities' 71 carriers, \$275,536,000 and \$6,333,000, up 15.15 percent; 37 motor vehicle carriers, \$1,022,462,000 and \$24,697,000, up 33.13 percent.

Building materials' 91 carriers, \$413,255,000 and \$10,857,000, up 12.91 percent; and the 628 other carriers, \$3,374,435,000 and \$99,201,000, up 17.89 percent.

Household goods movers, reporting tonnage increases of 12.5 percent, achieved a growth in revenues of 13.3 percent but were unable to cover a 13.5 percent rise in costs.

Though traditionally able to offset operating costs with non-operational business—such as storage—the moving companies experienced a three percent shrinkage in final net income in 1977.

Two charged

James D. Rogers, 17, of 2254 Washington Ave., was arrested and charged with indecent conduct at 2:10 a.m. Sunday, and a companion, Lacy Brazel, 20, of 910 1/2 Niedringhaus Ave., was charged with disorderly conduct.

Police were called to 19th and State streets to a dispute between the two youths and two girls, according to officers who said Rogers was arrested on the complaint of one of the girls. Officers said Brazel was charged after he became abusive.

Tax, state funds help delay GC school borrowing

A final distribution of 1976 tax monies by the county treasurer and receipt of state funds in the lunch and driver training accounts has enabled the Granite City School district to forego the sale of tax anticipation warrants this month, Tully A. Heubner, director of business affairs told the Board of Education last week.

However, Heubner said, a computation of all tax receipts for the 1976 year (for all school accounts) shows the district received \$202,832 less than the total tax extension, or 96 percent of the amount levied.

The 1976 collection, he said, is less than the 97.6 percent collection for 1975, the 97.1 percent collection for 1974 and the 98.8 percent collection for 1973.

At the same time, Heubner told the School Board that the district has received state lunch funds and driver training monies totaling approximately \$180,000.

In addition, he noted, because of only one board meeting during March, the district's bill list was about \$80,000 less than that which had been projected.

These combined factors increased the district's cash balance by approximately \$230,000 as of April 7. He noted that the cash balance for the week ending April 7 originally had been projected at \$318,000.

"This should be revised to approximately \$548,000," Heubner told the board members, noting that "the original projection called for the possibility of the first tax warrant the week of April 10-14 in an estimated amount of \$185,000."

"Since we have received these additional revenues, this first warrant (April 10-14) will not be necessary."

He said that if the district receives other state and federal monies which are due this month, "We will not need to issue tax warrants until May."

Heubner noted that if the district is able to get through the week of May 5 without issuing tax warrants, "We will definitely need a tax warrant" for the week ending May 12, "with the amount of the tax warrants depending upon the amount of state funds received during the rest of this month and the first week in May."

He said that he has checked with local banking institutions and has been informed that tax loans will be made at a rate of 4.25 percent.

In the tax distribution for the 1976 tax year, Heubner said, the district received a total of \$8,016,815 in tax funds, or \$262,832 less than the total of \$8,279,647 levied for the school year.

In the educational fund the district received \$5,556,869, or \$181,869 less than the levy of \$5,738,738. In tax funds, or \$262,832 less than the total of \$8,279,647 levied for the school year.

Opposes tuition credit bill

A program to make Quad-City area parents and teachers aware of the terms of tuition tax credit legislation now before Congress is being conducted by Bill Smithson, legislative chairman of the Wilson School Parent-Teachers Association.

Smithson, who also is a member of the National PTA Federal Communication Network, noted that PTA members nationally are opposed to the legislation.

"As a member of the National PTA's Federal Communication Network, I have been objective in studying the proposed Tuition Tax Credit Bill, and I am in complete agreement with the National PTA's effort to oppose this law," Smithson said.

"Passage of this law could certainly mean the eventual decreased effectiveness of public education by decreasing the amount of funds available to the public school systems," he added.

"I would like to submit some of the reasons for opposing this piece of legislation and urge parents and interested citizens to contact their congressional representatives and ask them to oppose this bill," Smithson said.

Smithson said he plans to recruit the efforts of other PTA groups in this area to work against the legislation and expects to present the matter for action by the PTA council.

CIRCUS PARADE ART CONTEST rules and application forms for the poster competition sponsored by the Granite City Circus Parade committee of Ainaad Temple Shrine are explained by Kelly Hogan, left, parade chairman. Discussing the notices, which were distributed last week in all Granite City elementary schools are Mrs. Agnes Pryntzko, school principal, Miss Judy Reidelberger, first grade teacher, and Mrs. Catherine Cassy, fifth grade teacher. Prizes will be awarded for the best poster in each of three categories on Friday, June 9, at the circus.

Rev. Robert Hollis to head Methodist district

The Reverend Robert R. Hollis, formerly of Granite City and currently pastor of Belleville Signal Hill United Methodist Church will become superintendent of the Vandalia District, Southern Illinois Conference, of the United Methodist Church.

The appointment becomes effective June 15, according to an announcement by Bishop Leroy C. Hodapp, Springfield.

The Rev. Hollis succeeds Dr. Billy G. Hays, who will become pastor of First United Methodist Church, Mount Vernon, Ill. on June 15.

Rev. Hollis will be responsible for oversight of 122 United Methodist Churches in the Vandalia District. His office will be at 1019 N. Burtch, Vandalia, Ill.

A native of Southern Illinois, Rev. Hollis has been pastor of the Signal Hill United Methodist Church in Belleville since June 1971.

The United Methodist clergyman was graduated from Granite City High School, was a graduate of McKendree College, Lebanon, Ill., and also a graduate of Drew School of Theology, Madison, N.J., with a Master of Divinity degree.

He is the son of Mrs. Laura Hollis of Centralia, and the late Rev. Roscoe Hollis, a United Methodist clergyman.

His wife, Mrs. Hollis, is a native of Clarice McCauley, is the former

During a special meeting Friday night, the Pontoon Beach Village Board approved a contract with the Nameoki Township Highway Department for the township to continue repairing village streets in return for payments from the village's motor fuel tax funds.

The board tabled a street lighting proposal, since Illinois Power had not completed village-wide survey and recommendation.

A new street light proposal for the entire village is expected to be considered and adopted later this month.

The special Friday meeting was called since street light plans were incomplete for the board's regular meeting last week.

At the regular meeting, the board received a letter from the state, thanking all village officials and township officials for their actions when the sanitary lagoon at Gaslight Walk broke, causing a serious sewage spill.

The board also voted to reimburse a policeman \$70 for expenses he incurred during police training.

Academy students win 10 ratings in state contest

Four high school students of the Gateway Christian Academy, 21st and Benton streets, will compete in the national Accelerated Christian Education program at Hammond, Ind., in June after taking first place in state competition at Carlinville last week.

Sixteen students of the local academy took part in the ACE convention program, winning ten first, second and third place awards in four categories, according to the Rev. Donald Clark, pastor of Mount Zion General Baptist Church, which operates the academy.

The Gateway academy also tied for first place in the academics category, Rev. Clark said.

Awards won by Gateway students included:

- First place in Bible memory; Janet Rumliff, first in short story writing and second place in poetry; Susan Harley, first in essay writing.
- Needle and thread (home economics) — Kathy Rumliff, embroidery; Cherry Painter, first in crewel; Michelle Morris, second in sportswear and Belinda Seips, third place in formal wear.
- Athletics — Paul Warren, second place in long jump, third in high jump and third in 440-yard dash.
- Platform performance — Second place to the school for a play presented by Pam Warren, Janet Rumliff, Danny Seips, Jeff Frost and Noble Berrong.

On the basis of the awards, those who will advance to the national competition are Kathy Rumliff, Janet Rumliff, Susan Harley and Cherry Painter.

The national competition at Hammond will be held June 5 through June 9.

Explorers brave cold, wet weather

Wet and cool weather did not dampen the spirits of members of Explorer Post 104 who camped at the Pere Marquette State Park over the weekend to sharpen their search and rescue skills.

The program consisted of several field exercises in search and rescue in the heavy woods of the park.

Post 104 is the first Explorer Post in the Cahokia Mound Council to earn national recognition from the Boy Scouts of America and National Civilian Defense authorities as an "Emergency Service" Unit.

Members attending were: Joseph Anselmo, John Bargiel, Dennis Gorden, Ronnie Grayzwa, Jason Kieffer, Roger McFain, Mike Schaffner, David Smith, Mark Ursell, Willie Smith, John Cox, William Kinkel, Chris Champion, Bill Fox, Officer William Weidner, of the Madison police department, and W. F. "Mick" Strange.

Tax waiver intended to boost use of Illinois coal

Tax relief designed to increase use of Illinois coal is among five legislative proposals being submitted to the 80th General Assembly by Representative Joe Lucco (D-Edwardsville), chairman of the Illinois Energy Resources Commission.

The tax exemption proposal would amend the Retailer's Occupation Tax Act, Service Use Tax Act, Service Occupation Tax Act and, Use Tax Act.

Tax exemptions under these acts would seek to encourage investment in coal-burning facilities rather than in oil or gas by decreasing the total capital costs of new equipment, Lucco related.

The commission also will request the General Assembly to establish as state policy the encouragement of the use of Illinois coal resources.

Lucco said such legislative support is needed to accelerate use of Illinois' extensive coal reserves and also to stimulate the Illinois economy.

He added, "It is past time for Illinois to realize the economic benefits of its coal, the largest reserve of bituminous coal in the United States."

The other legislative proposals adopted by the IERC

Woman arrested

Dorothy White, 172 Viola Jones Homes, Venice, was arrested by Venice police on charges of disorderly conduct and resisting arrest at 11:40 p.m. Friday.

The incident occurred at her apartment, officers said, when they accompanied a man to the apartment to recover clothing which he said he had left there and in the woman's car.

Police said the woman became abusive. Force was needed to place her in a cell at the jail, they said.

Drive-Thru Grand Opening
April 22

Just like Ronald McDonald® and his friends, you too can enjoy drive-thru service at the McDonald's® of Granite City, 1515 Johnson Road.

McDonald's now offers you that same great food and service without leaving your car!

So if you are in a hurry, or it is raining or you just don't have time to sit down and relax in our spacious dining area, then try our new drive-thru service — after all, we do it all for you.™

McDonald's
 1515 Johnson Road

On April 22, drive-thru customers will be given one free car beverage holder, while supplies last.

HAPPY ANNIVERSARY, Ron—There's never been beauty. So real-so rare, I can't live. Your copper hair, And your oaken eyes, They hold for me. The heights of the heavens, The depths of the sea. My heart is at rest, In the cradle of your smile. And I wish not to waken it, For even a while. Think I can live, My whole life through, On nothing more, Than the sight of you. Love, Linda Copyright 1978 26 4 20

Card of Thanks 32

We wish to express our deep gratitude and appreciation to our many friends and relatives for the kindness, sympathy, cards, donations, memorials, and beautiful floral offerings in our recent bereavement. Special thanks to Rev. Mathae, Randall, Irwin Chapel, and pallbearers. The Family of JESSIE OLSON 32 4 20

The Family of MR. CLARENCE A. ATCHISON would like to extend a heartfelt thanks and appreciation for the messages of sympathy, memorial offerings and prayers from the many friends and family. Thanks to the doctors who attended during our husband and father's illness. Special thanks to the staff of St. Elizabeth Hospital and to Dr. Jack Fritty of Grace Baptist Church. 32 4 20

In Memoriam 33

In Loving Memory of KENNETH MICHAEL NOLAN So soon the hand of death has come, How weak & frail is man; 'Tis only God that giveth life, No other power can. And when He calls our loved ones home, Oh, what a bitter cup; Although we know they're with the Lord, 'Tis hard to give them up. If we but knew, as our Lord knows, If He could see the end, No doubt, the joy and bliss up there, Our broken hearts would miss. Very much missed by Parents, Brother, Sisters and Family and Friends. 33 4 20

This is located in Addition 3, lot 118 in Quiet Valley, a Sub-division of Section 11, Township 3, North, Range 9, west of the 3rd principal meridian, according to the plat recorded in the Recorder's Office of Madison County, Illinois on the 13th day of May, 1968, Plat Book 37, Page 44. Commonly known as No. 23 City Court. DON GARDNER Chairman Zoning Board of Appeals No. 57 34 4 20

GRANITE CITY PRESS-RECORD

ORDINANCE NO. 3481 AN ORDINANCE RESTRICTING PARKING OF TRUCK TRACTOR TRAILERS IN LENGTH ALONG AND UPON CERTAIN STREETS IN THE CITY OF GRANITE CITY, ILLINOIS. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, as follows: SECTION 1: That it shall hereafter be unlawful for any person, firm or corporation to park any truck tractor trailer in length along and upon the following streets within the corporate limits of the City of Granite City, Illinois, which border along property that has been classified under the Zoning Ordinance for the City of Granite City as an M-1 or M-2 District, those being light and heavy industrial districts, respectively. (a) On either side of 21st Street from its intersection with Illinois Route 203 to its intersection with 22nd Street. (b) On either side of Monroe Street from its intersection with 21st Street to its intersection with 22nd Street. (c) On either side of 23rd Street from its intersection with Namekiki Road to its intersection with Lee Avenue. SECTION 2: The Superintendent of Streets is hereby authorized and directed to post appropriate signs along and upon the said streets for the purpose of enforcing this Ordinance. SECTION 3: Any person, firm, corporation, servant, agent or employee thereof who violates any of the terms or provisions of this Ordinance shall, upon conviction, pay a minimum sum of Ten Dollars (\$10.00) and a maximum sum of One-hundred Dollars (\$100.00) for each offense. SECTION 4: That this Ordinance shall be in full force and effect after its passage, approval and publication as required by law. SECTION 5: That all ordinances and parts of ordinances in conflict herewith are hereby repealed. PASSED by the City Council of the City of Granite City, Illinois, this 17th day of April, A.D. 1978. PAUL SCHULER Mayor

2237 Cleveland

DOWNTOWN LANDMARK at 2237 Cleveland Blvd., constructed in 1902 for A. W. and Mamie Eisenmayer, and now owned by Mr. and Mrs. Dave Hug. A harmonious blend of colonial and antique decor the woodwork, staircase and deacon's bench are oak and the original fireplace in the living room is still functional. The second floor bath has the original fixtures and a marble washbasin. A fitting room is adjacent to the master bedroom. Included in the Spring House Tour, arranged by the Downtown Neighborhood Restoration Society, the house is one of five homes to be viewed on May 7. Tickets for the event may be purchased from any member of the sponsoring organization.

Driver named on 3 charges

Robin D. Wilbur, 28, of 2617 Iowa St., was arrested on three charges at 9 p.m. Saturday after his car was stopped on Madison Avenue near Niedringhaus.

Police said they saw a car run the signal light on Niedringhaus to make a left turn into Madison.

After stopping the car, officers said, they found a draw-

string bag hanging from the rear-view mirror and found a quantity of marijuana in the bag.

Officers also confiscated a hunting knife they said they found in the car and a lock-blade pocket knife they found in Wilbur's pocket.

Wilbur was charged with unlawful possession of cannabis, reckless driving and running a red traffic signal.

Smith operating results improve

A. O. Smith Corporation profits as a percentage of sales showed strong improvement in the first quarter of 1978 compared with last year.

L. B. Smith, chairman and chief executive officer, reports.

He said the company had a profit margin of 3.1 per cent in the first quarter, with earnings of \$5,928,000 or \$1.21 per share on sales of \$190,229,000.

This compared with a profit margin of 2.6 per cent in the first quarter last year with earnings of \$4,734,000 or cents per share on sales of \$181,858,000.

While pleased with the improvement, Chairman Smith noted that A. O. Smith's margin remains "below the average for most other manufacturing companies."

All major operating units had improved operating results over a year ago, and all but the Automotive Division reported higher sales.

One of the best gains was reported by A. O. Smith Harvestore Products, Inc., which manufactures livestock feeding systems.

Livestock farmers, whose economic outlook is seen as positive, ordered a larger number of Harvestore structures than a year ago, significantly boosting the subsidiary's dollar sales over the first quarter of 1977.

Profits at the Automotive Division, the nation's leading manufacturer of auto and truck frames, were also up in the quarter compared with last year, despite lower sales.

Volume was down because of lower retail sales of automobiles and trucks, while the division's manufacturing performance improved following several quarters impacted by two major model changes.

At the Consumer Products Division, a major manufacturer of residential and commercial water heating equipment, and at the Electric Motor Division, which produces motors for air-conditioning and refrigeration equipment, improved sales and profits were reported — with particularly strong sales gains by Consumer Products.

A. O. Smith, with its subsidiaries and affiliates, is a diversified manufacturer. Its product line includes water heating equipment, electric motors, agricultural feed storage and handling systems, auto and truck frames, fiber glass reinforced plastic pipe and computer services.

The board of directors of A.O. Smith has declared a regular quarterly dividend of 25 cents per share of common stock, payable May 15 to shareholders of record April 28.

Helicopter for trauma victims

The Belle Angeline riverboat restaurant, moored at Laclede's Landing, is the setting for a \$25-a-plate benefit dinner open to the public Thursday, April 27, sponsored by the St. Louis University Hospitals Auxiliary (314-994-0727) to help raise \$95,000 for construction of a helicopter landing pad at St. Louis University hospitals.

A social hour is set for 6:30 p.m. and dinner at 7:30. Construction of the helicopter landing pad above the ambulance parking deck at the University Hospitals Bordley Memorial Pavilion will enable emergency medical services staff to provide swift treatment to trauma victims airlifted to the hospitals from Missouri and Illinois counties.

St. Louis University hospitals were designated a bi-state regional emergency medical services center last year by the U.S. Department of Health, Education and Welfare.

2138 Cleveland

OLD HOME CHARM was retained in the home of Mr. and Mrs. Junior Mathis, 2138 Cleveland Blvd., with the modern innovation in the remodeling project of the family. The house features three woodburning fireplaces and focal point in a parquet foyer with an open staircase. Built in 1903 by the Biel Construction Co., the house was sold in 1909 to William Lynch for \$4,000. The house is one of five homes in the downtown area included in the May 7 House Tour, sponsored by the Downtown Neighborhood Restoration Society. Residents may tour the homes from 1 to 5 p.m. and also visit the Craft and Arts Fair on the 24th Street parkway between Cleveland Boulevard and Delmar Avenue, during the afternoon for entertainment and refreshments, according to chairman, Jan Harmon and Edith Mitzel.

Shop, offices are ransacked

A burglary at the Surgical Support Shop, 1832 State St., was reported Monday and an inventory was to be made to determine what items were taken.

A portable television was among the missing property, Ann Austin, owner, said.

Entry was gained by kicking in a door panel, crawling through the opening and forcing a second door to get into the business area.

All cabinets and desks were ransacked and other offices were entered and searched, the owner advised.
